1. THE SKIES ARE YOURS

The skies belong to you. You are a pteranodon. You swoop down from the clouds and capture dinosaur eggs and compys! But watch where you fly -- the earth is full of raptors who would love to destroy you!

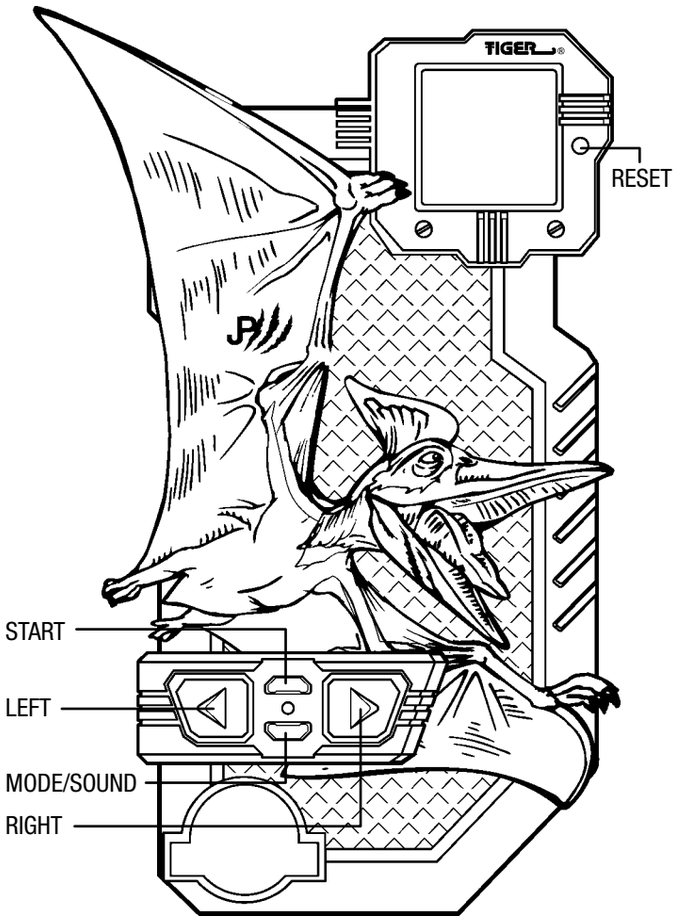
2. OBJECT OF THE GAME

Score as many points as you can by hunting dinosaur eggs and compsognathus (compys). You need to fly into just the right spots and then swoop down to attack! If you are too slow, your prey will get away.

Plan your descents from the sky carefully --because if you land next to a raptor, it will destroy you!

3. CONTROL YOUR FATE

You control your own fate!



START	- to turn on the unit. - to begin the game. - to start a new game.
MODE/SOUND	- to select level 1 or level 2 (before game starts). - to toggle sound on/off (after game starts).
LEFT	- to move left.
RIGHT	- to move right.
LEFT + RIGHT COMBINED	- to attack.
RESET	- press with a ballpoint pen to reset the game if your unit malfunctions.

4. HOW TO PLAY

Press the START button to turn on the unit. You will then be in DEMO MODE.

Press the MODE button to select your skill level (1 or2). The game play is the same in both levels but level 2 is faster and so requires greater skill!

Press the START button to begin the game. Welcome to the Jurassic Period!

Use your LEFT and RIGHT buttons to control the direction of your flight.

Swoop down by pressing your LEFT and RIGHT buttons together to capture each egg and compy that appears onscreen! . You earn points each time you successfully capture one!

Watch out for raptors! Don't swoop down next to a raptor--or you could be its lunch!

After you swoop down, get out of there quick-- before a raptor shows up!

However -- to those who take risks often go the greatest rewards! You will score MORE POINTS if you capture an egg or a compy that is near a raptor!

When a compy gets past you, or you get attacked by a raptor, you will lose a life. If you lose all 5 lives it's a GAME OVER.

You will not lose a life for raptors that go off screen --only compys.

Here's more good news -- you are rewarded with an energy each time you capture an egg!

Press the START button to begin a new game!

Forget about an OFF button. There isn't one. The game shuts off after 3 minutes of no action.

Fly high and triumph!

5. SCORING

20 POINTS	Each time you successfully capture an egg.
60 POINTS	Each time you capture a compy.
100 POINTS	Each time you capture an egg or compy near a raptor.
