How it works

To play THE GAME OF LIFE Zapped you'll need:

- All the bits in this box
- THE GAME OF LIFE Zapped app from the App Store on your iPad.

Throughout the game, players will take turns to spin the virtual spinner on the iPad and then move their car around the physical board. Depending on where you land, you may play a mini game, earn a virtual life token or watch a clip. When all players get to the RETIRE space, the game ends!

Contents

Game Board, Rubber
Pads, 4 Car Movers,
52 Pegs, Money
Pack.

1. Set it up!

1. Set up the board

- Stick a rubber pad onto each of the white circles on the board. Leave them on permanently.
- It'll be easier for everyone to see the screen if you sit around the board like this:

2. Add your iPad

- Get it fully charged and turn up the sound!
- Remove all covers (put them back on after you've finished playing) and place it on top of the rubber pads.

3. Deal the money

- Choose someone to be the banker. The banker looks after the money and bank loan certificates. Use THE GAME OF LIFE money when you are told to pay the bank or another player.
- Banker, give each player (and yourself if you're playing) \$10k.

4. Pick up pegs

- Each choose a peg and a car – this is you!
- Put your peg in the driver's seat and place your car on START.

2. Play

How to win

If you're the player with the most money once everyone's retired, you win!

How to play

Start the app

1. Open the app and tap Start new game. Read the on-screen instructions.
2. Take turns to create a peg profile on the iPad by typing in your name and choosing a virtual car and peg. Once you've chosen, take a matching color peg and car and place them on the START space on the board.
3. Once you've all created a peg, spin the virtual spinner to see who goes first.

Now you're ready to play!

Don't worry the app will tell you exactly what to do. On your turn:

1. Spin the virtual spinner on the iPad.

2. Move your car along the track on the board. Follow the instructions for the space you landed on (see **Board Spaces**).

3. Tap your virtual car on the iPad to finish your turn.

4. Keep spinning and moving your car towards the RETIRE space. The game ends when **all** players RETIRE. If you have the most money, you win!

3. Board Spaces

STOP! space
ALWAYS STOP HERE IMMEDIATELY!
(Even if you have moves left.)

In real life, it'd be bad to miss this sign. Same in this game! When you reach or are about to pass by one, **stop** and press the matching icon to enjoy an exciting life event!

Payday space

Passed Payday?

If you **passed** Payday, first deal with the space you landed on and then collect your salary from the banker.

Landed on Payday?

If you **landed** on Payday, tap the icon to play a mini game – you might get a salary bonus!

LIFE space

Tap the matching icon to get (or give) a virtual LIFE token. Each one has a secret \$ value that'll bump up your total at the end of the game! The number of virtual LIFE tokens you've earned is shown on your virtual car.

Family space

Tap the matching icon and add a baby (or two, or three!) to your family. If you get a baby, add a matching peg to your car. At the end of the game, you'll get \$10k for each baby.

Lawsuit space

Tap the matching icon. Sue another player for \$100k. Ouch!

Spin to Win space

Tap the matching icon. Take turns to tap a number on the spinner to buy it. Then play! You could win or lose BIG.

Pay & Collect spaces

Either pay or collect the amount shown to or from the banker!

4. Winning

Winning the game

THE GAME OF LIFE ZappED isn't over until **all** players have reached the RETIRE space. The iPad will ask you to enter how much of THE GAME OF LIFE money you have earned during the game. The iPad will then award you your virtual LIFE tokens and \$10k per baby.

If you have the most money, you win!
