CRANIUM CARIBOO™ Beginner | A, B, C and 1, 2, 3, 4

You're on a treasure hunt in a magical place called Cariboo Island. You'll take turns matching letters, numbers, colors, and shapes to unlock doors and hunt for treasure. As you find treasure balls, place them in the tumbling tidepool. Once you've found the last treasure, the special Cariboo treasure chest will pop open, and it'll be time to play again.

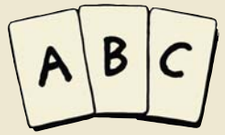
HOW TO PLAY

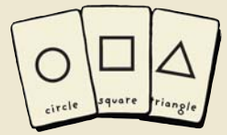
1 **Draw a card to start your turn.**
This game has four types of cards:



Match a **letter** card to the first letter of the word on a door.

Match a **number** card to the number of things on a door.

Match a **color** card to the color of things on a door.



Match a **shape** card to the shape of things on a door.

2 **Find one door that matches your card, then open it with the key. If you can't find a door that matches your card, it's the next player's turn.**
