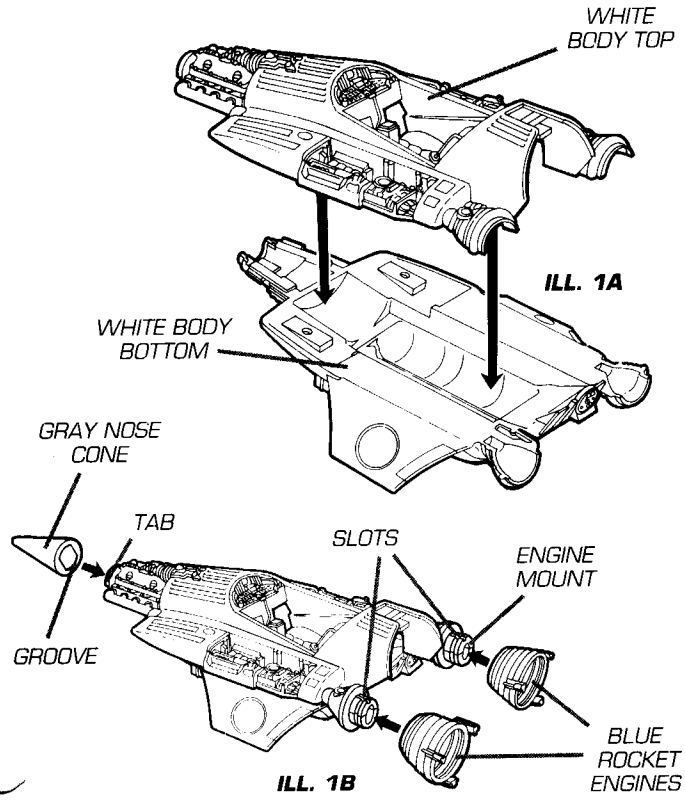
# G.I. JOE® A REAL AMERICAN HERO™

## STARFIGHTER™ INSTRUCTIONS

**Ages: 5 & Up**
Remove all pieces from plastic frames. If you have difficulty, use safety scissors.

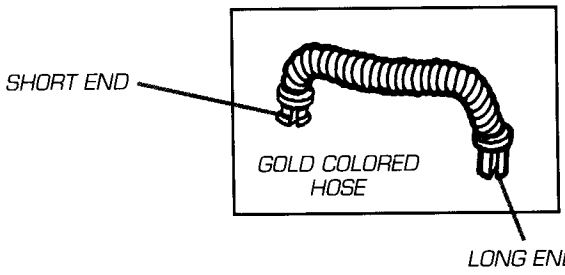
**WARNING**
Contains small parts which may present a choking hazard to children under three.

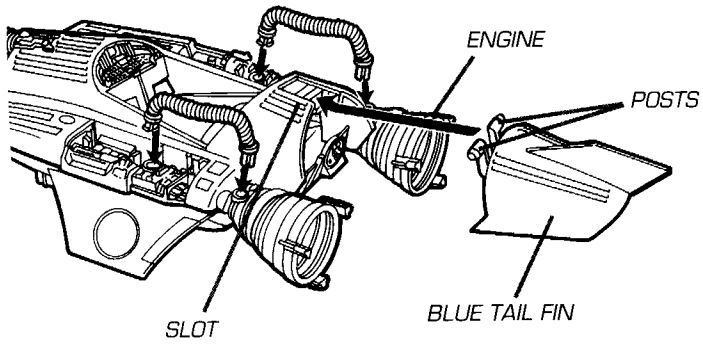
**CONTAINS:** *Body top and bottom, nose cone, tail fin, canopy, 2 hoses, 2 engines, 4 rockets, launcher, figure label sheet.*



ILL. 1A

ILL. 1B



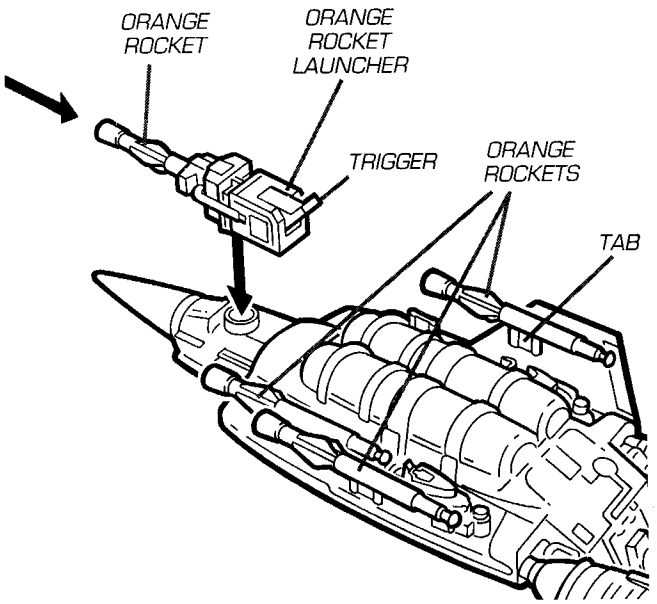


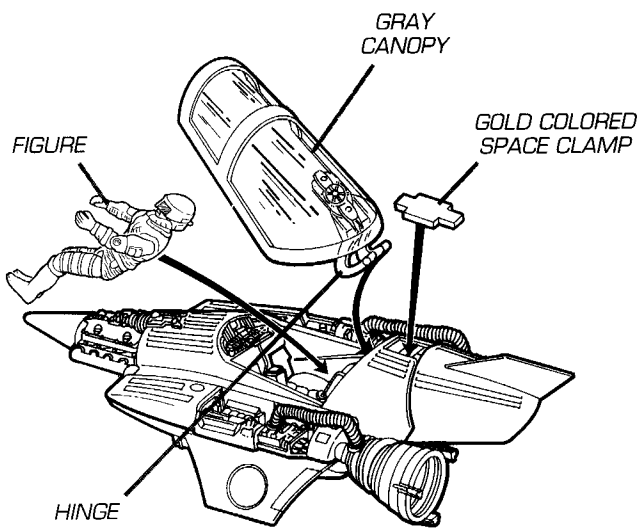
## 1. BODY ASSEMBLY

*Snap white body top into white body bottom as shown (ILL. 1A). Fit gray nose cone onto front end of plane with groove on nose cone aligned with front tab. Line up notches on blue rocket engines with slots in engine mounts, then fit together. (ILL. 1B)*

## 2. HOSE TAIL FIN ASSEMBLY

*With long end of gold colored hose (see inset) positioned closer to engine, fit hose ends into body holes as shown. Repeat with other hose. Fit posts on blue tail fin onto slot at rear of plane.*





## 3. ROCKETS AND LAUNCHER ASSEMBLY

*Turn plane upside down. Fit orange rockets onto tabs on wings and body. Fit orange rocket launcher onto plane as shown. Insert rocket into barrel and lock in place. To fire, press trigger.*
***CAUTION: DO NOT AIM WEAPON AT EYES OR FACE.***

## 4. CANOPY ASSEMBLY

*Turn plane right side up. Hook canopy hinge into space in rear of cockpit, then swing gray canopy down into place. Fit gold colored space clamp over hinge as shown. Open canopy to insert SCI-FI® pilot.*

G.I.JOE® A REAL AMERICAN HERO™

**Peel and apply labels as shown.**
