1 Snap launcher into slot on underside of vehicle.

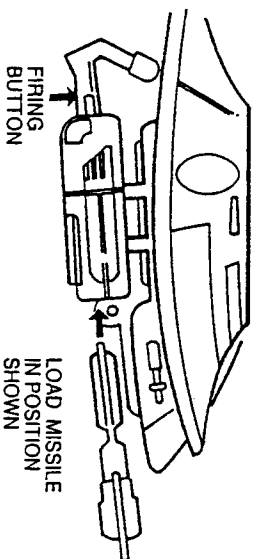

2 Snap on each wing as shown.

3 Apply labels following numbers on label sheet using this illustration as a guide.

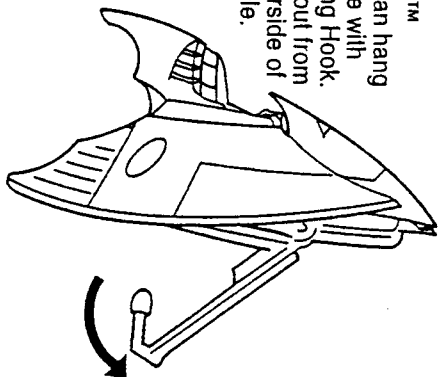

4 Load missile. Press up on button to launch.

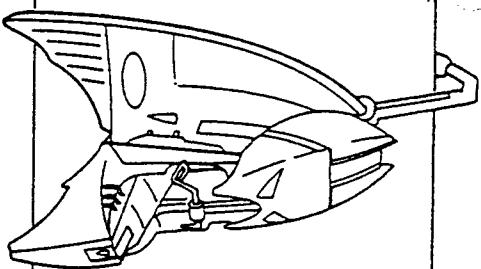

5

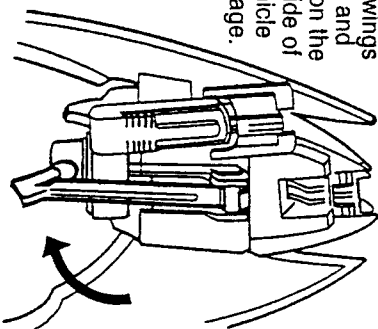

A Aero Bat™ vehicle can hang anywhere with its Parking Hook. Swing it out from the underside of the vehicle.

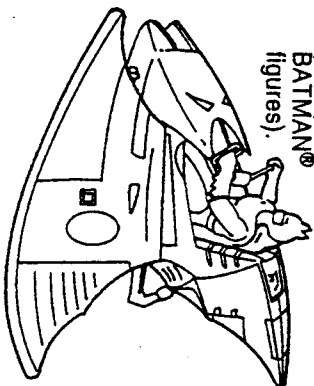

B It can hang on a ledge or over a door.

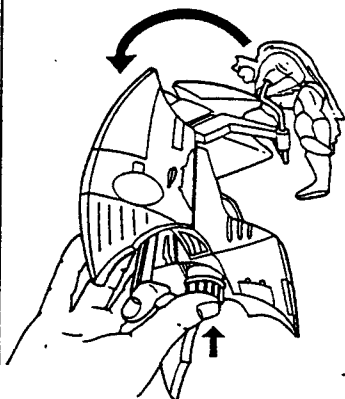

C The Parking Hook swings around and snaps on the underside of the vehicle for storage.

**6**

A Place BATMAN® into the cockpit and snap his hands into place on handle bars as shown. (Cockpit will accommodate most BATMAN® figures).

B Press on exhaust in rear of vehicle to launch the BATMAN® figure. Now he is in the "out-of-vehicle" control position.

C Then return the front of the vehicle to the starting position and put figure back into his seat feet first. (Feet are tucked under dash).
