

CaribooTM Beginner

A, B, C and 1, 2, 3, 4

You're on a treasure hunt in a magical place called Cariboo Island. You'll take turns matching letters, numbers, colors, and shapes to unlock doors and hunt for treasure. As you find treasure balls, place them in the tumbling tidepool. Once you've found the last treasure, the special Cariboo treasure chest will pop open, and it'll be time to play again.

HOW TO PLAY

- 1 Draw a card to start your turn.
This game has four types of cards:

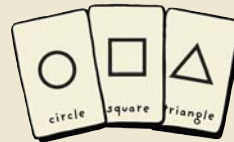

Match a **letter** card to the first letter of the word on a door.

Match a **number** card to the number of things on a door.

Match a **color** card to the color of things on a door.

Match a **shape** card to the shape of things on a door.

- 2 Find one door that matches your card, then open it with the key. If you can't find a door that matches your card, it's the next player's turn.

Leave the door open so you know you've looked there already.

- 3 If you find a treasure ball, drop it into the tumbling tidepool.

- 4 Pass the key to the player on your left.

WINNING

When the last treasure ball is placed in the tumbling tidepool, the Cariboo treasure chest will pop open. The player who opened the treasure chest wins!

PLAYING AGAIN

Slide the cover of the tumbling tidepool away from the treasure chest to remove the treasure balls.
