

Welcome to Cranium® Giggle Gear™

Giggle Goggles

Create hilarious faces!

GET STARTED

- 1 Take out all the pieces and the goggles base.
- 2 Choose any of the parts you want to create a unique pair of goggles.
- 3 Attach the parts to the goggles base. (Be sure to attach the parts *before* putting on your goggles.)

- 4 If you choose the red robot eyes, press the button on top of the eyes to make them light up.

- 5 Put your goggles on and adjust the strap to fit comfortably.
- 6 Now, go and make someone giggle. Have fun!

★ To change your goggles, take them off and choose new parts. You can mix and match any Giggle Goggles or Mega Mask parts to create even more hilarious combinations!

TROUBLESHOOTING

Are you having trouble with your Giggle Goggles?

If your robot eyes won't light up, try installing three new AG13 button batteries.

If you've tried this and you're still having trouble...

CHANGING THE BATTERIES

Need to change the batteries? Ask an adult to get three new AG13 button batteries and follow these instructions. (AG13 batteries can usually be found in the photo and electronic sections of major retailers, pharmacies, and grocery stores.)

1. Turn your red robot eyes over and unscrew the battery cover.
2. Insert the batteries as indicated.
3. Replace the battery cover and tighten the screw.

BATTERY SAFETY

- Do not put the batteries in backwards. Positive (+) and negative (-) ends must be inserted in the correct directions following the polarity (+/-) diagram in the battery compartment.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not mix old and new batteries.
- Rechargeable batteries must be removed before recharging.
- Rechargeable batteries must be recharged by an adult only.
- Batteries must be installed and removed by an adult only.
- Remove exhausted batteries and dispose of properly.
- Do not try to recharge non-rechargeable batteries.
- The supply terminals are not to be short-circuited.

WARNING: TO AVOID BATTERY LEAKAGE

Please follow these battery usage instructions. Failure to follow these instructions can result in battery acid leakage that may cause burns, personal injury, and property damage.
