2. Each player chooses two frogs of the same color and places them on the nearest lily pad.

each player.

How to play

- I. Ready, set, go! Everyone hops their frogs toward the flies.
- 2. If your frog lands on a fly, you've caught it!

 Take the fly off the table and put

 it by your lily pad.
 - 3. Keep hopping your frogs from your lily pad until all the flies are caught.

all west wolf

The player whose frogs catch the most flies wins!

Now try this

- •Play by yourself, timing how quickly you can catch all the flies.
- •Hop three frogs into a friend's hands in fewer than ten jumps.
 - Hop two frogs at once.Can you hop three?
- Hop a frog using something other than your finger. How many other things can you use to hop the frogs?

Now try this!

- •Hop the frogs into the empty can.
- •Hop the frogs as far as you can.

 Measure your best jump!
- •Take off a shoe and put it next to the wall. Can you hop a frog into your shoe? How many jumps does it take?
