

Puzzles Plus™

Mix & Match Memory: Come On Down to the Country!

Welcome to the world of Puzzles Plus, where you create a cool puzzle—and do so much more!
Match pictures and words, then use the pairs to complete an even bigger puzzle.

HOW TO PLAY

Set out the puzzle board and the die.

Mix up the 24 puzzle pieces and put them face down in a grid.

Roll the die. Try to match a word and a picture by flipping over the number of pieces shown on the die.

Did you find any matches?

yes

no

Put your matches into the puzzle. Now it's the next player's turn.

Not this time. Turn the pieces back over. Now it's the next player's turn.

FOR BEGINNERS

If you're a beginner, play without the die and with the puzzle pieces face up.
Take turns making matches and putting them into the puzzle.
