

# Puzzles Plus™

## Seek & Find: Let's Go to the City!

Welcome to the world of Puzzles Plus, where you create a cool puzzle—and do so much more!  
Finish the puzzle, then circle delightful discoveries with the reusable dry-erase marker.

### HOW TO PLAY

- 1** Put the puzzle together.
- 2** Give each player three cards from the beginner or advanced deck.
- 3** Take turns searching the puzzle for the items on the cards.
- 4** Circle what you find with the dry-erase marker!
- 5** When you're finished, wipe off the puzzle with a dry tissue.

### NOW TRY THIS!

What else can you find in the city?  
Try looking for your favorite food or something that starts with the first letter of your name. Take turns challenging each other to find new things in the puzzle!

**WARNING: CHOKING HAZARD**  
Small parts. Not for children under 3 years.

## **Puzzles Plus™ Mix & Match Memory**

In Cranium Puzzles Plus Mix & Match Memory, players match pictures and words in a classic memory game. Then the matches go into the puzzle board to complete the big picture!

**Ages 3 and up**

## **Giggle Gear™**

Bring your child's imagination to life with giggly sound-effects costumes from Cranium Giggle Gear!

**Ages 3 and up**
