Contents: 40 Animal Cards

GET READY

Mix up the animal cards. Deal 7 cards to each player. Put the remaining cards facedown in a pile near all the players. This is “the farm” pile.

HOW YOU WIN

Collect the most sets of 4 matching animal cards.

LET'S PLAY!

1. Look at your cards. (Be sure to hide them from the other players.) Look for 4 matching animals and put any complete sets faceup in front of you. The player with the next birthday starts the game.

2. Choose one of your cards that doesn't have a match and ask any player if they have the matching animal.

Do they have a match?

Yes – This player gives you their matching card(s), and you get another turn.

No – If the player doesn't have any of the cards you requested, they say “Go Farm.”

GO FARM!

Take one card from the farm pile. If you get a card that gives you 4 matching animals, put the set faceup in front of you, and take another turn. If not, it's the next player's turn.

3. Keep playing until someone runs out of cards. Then count your matches.

FOR YOUNGER PLAYERS

Play with sets of 2 matching animals instead of 4. Select 6 sets of matching animals (24 cards). Deal 4 cards to each player, and put the rest in the farm pile. Then play the same way as above.
