MEMORY® GAME

game.com

Contents: 36 Animal Cards

GET READY

Mix up all of the animal cards. Arrange the cards facedown in rows of 3. Remove 1 card to avoid a tie game. The player with the next birthday goes first.

HOW YOU WIN

Collect the most pairs of matching animal cards.

LET'S PLAY!

1. Turn over 2 cards to see if you can match the animal pictures. (Be sure all players can see the cards.)

Are they an exact match?

Yes - Keep the set and go again.

No – Put the cards back facedown. It's the next player's turn.

2. Keep turning over cards and looking for matches. When there is 1 card left, the game is over.

FOR YOUNGER PLAYERS

Play with 9 matches (18 cards). Remove 1 card to avoid a tie game.

FOR OLDER PLAYERS

Instead of matching pairs of the same animal picture, match the baby animal with the fully grown animal!
