## TO INSTALL NEW BATTERIES

1. With Phillips screwdriver, loosen screw in battery compartment door. Remove door (screw remains attached to door).
2. Discard old batteries. Insert 3 fresh A76 (or LR44) button-cell batteries into the compartment as indicated inside. Replace door and tighten screw.

## CAUTION:

- 1) As with all small batteries, the batteries used with this toy should be kept away from small children who still put things in their mouths. If they are swallowed, promptly see a doctor and have the doctor phone (202) 625-3333 collect.
- 2) Make sure the batteries are inserted correctly and follow the toy and battery manufacturers' instructions.
- 3) Do not mix old and new batteries, alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.
