7. Place brush onto hooks.  
Slide drain piece on water reservoir under car wash.

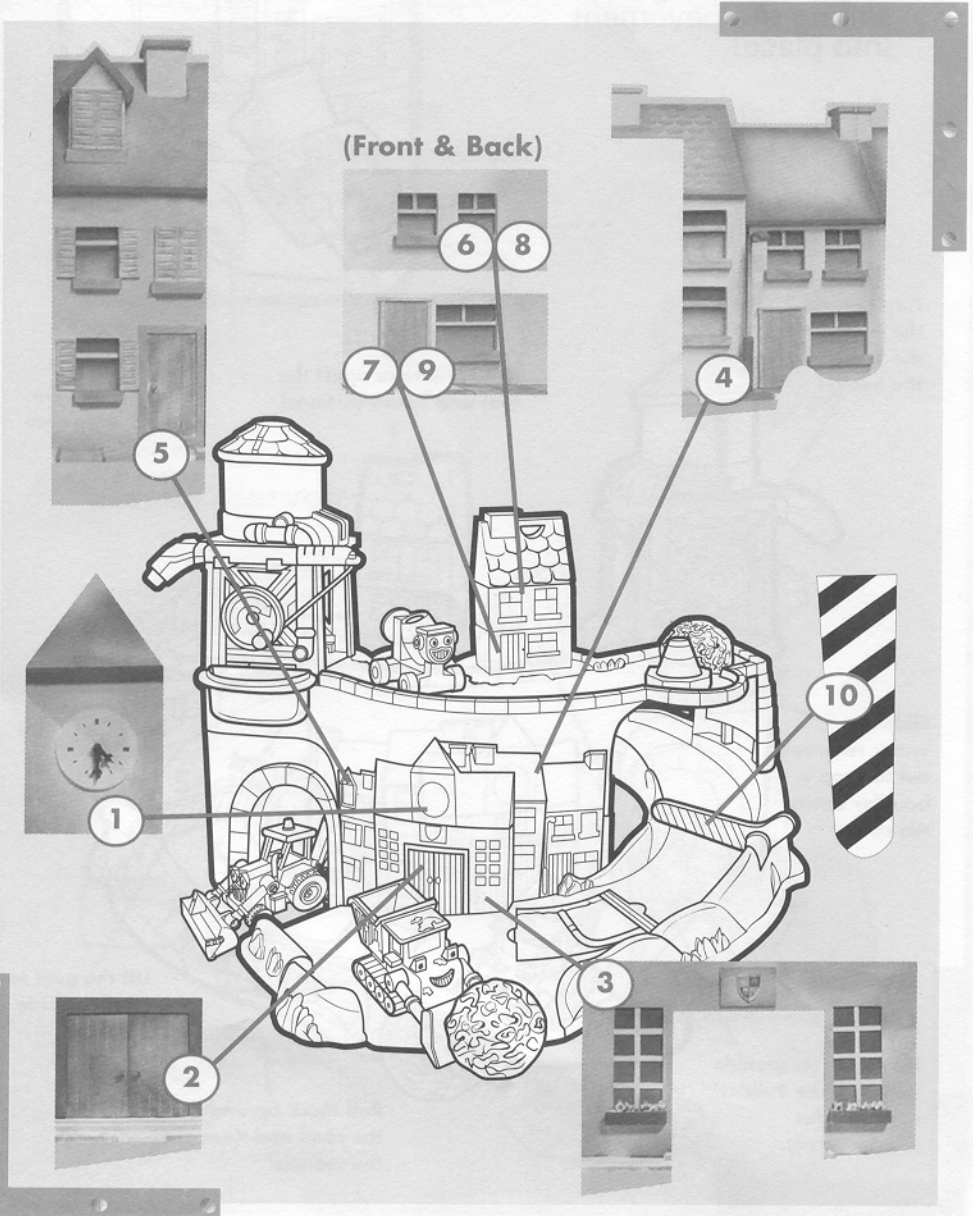

Drain Piece

Water Reservoir

## LABEL PLACEMENT

- Peel and apply labels as shown.

## PLAY FEATURES

The FIX 'N CLEAN ROADWAY playset offers lots of fun activities for your preschooler! Join Muck, the lovable digger/dumper, for lots of Bob the Builder™ fun...just like on the television series!

- Wash Away the Mud on Muck – Magically! Add warm water to the water reservoir. Drive Muck into the car wash. Dip the brush in the water and wipe the mud to make it disappear! When dry, the mud reappears for more washing play!

Note: Before storing toy, empty remaining water from the water reservoir and allow brush to dry.

- Repair the Road! Repair the road damage by sliding the pavement into place!

Turn the crank to roll up the "water hose." Store the brush on the hooks!

Build and take apart the roof and house sections!

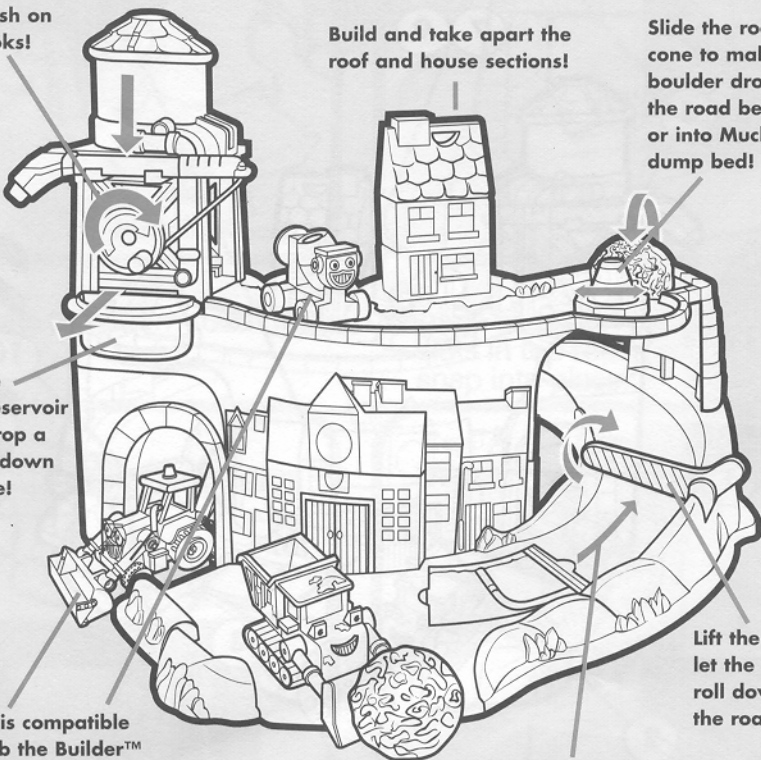

Slide the road cone to make the boulder drop onto the road below or into Muck's dump bed!

Slide the water reservoir out to drop a boulder down the chute!

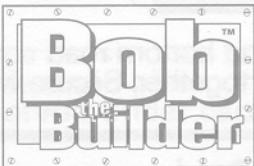

Playset is compatible with Bob the Builder™ mini vehicles (not included).

Roll Muck up and down the road and through the tunnels!

Lift the gate to let the vehicle roll down the road!
