4

Baby loves it when you feed her a bottle. Put the tip of the bottle completely in her mouth. See how the milk magically disappears as you tip up the bottle.

5

Now it's time to check Baby's bottom. Uh-oh! She needs to have her diaper taken off and her bottom "cleaned."

6

Rub downward with her soft wipe to make Baby's bottom clean again - just like magic - with no diaper mess!

7

Finish up with Baby's Shakin' Sounds Powder™. Put her diaper back on and she's ready to feed again!
