# BATMAN<sup>®</sup> Armor Set

## INSTRUCTIONS

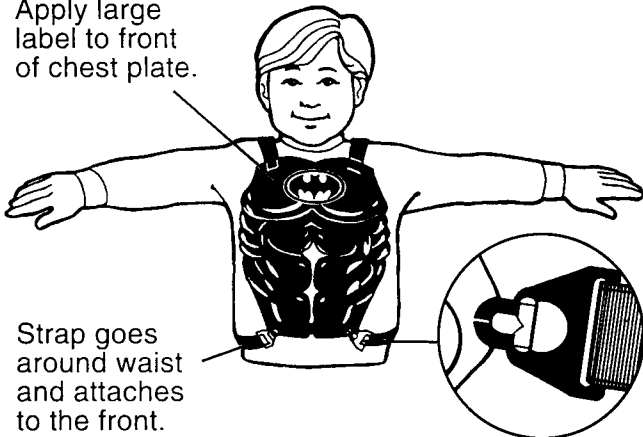

### 1 Chest Plate

Thread neck strap through chest plate as shown.

Slide buckle to adjust strap around neck.

Apply large label to front of chest plate.

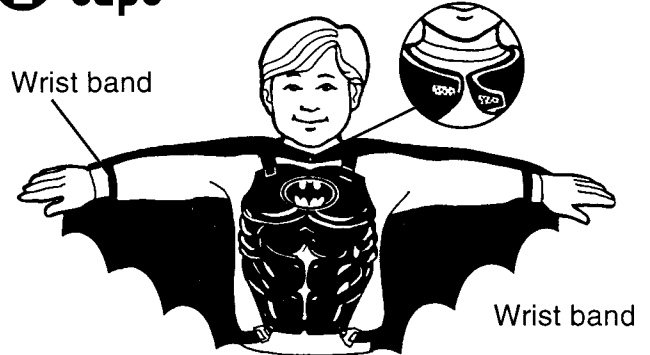

Strap goes around waist and attaches to the front. Slide buckle to adjust.

CAUTION-FOR PLAY ONLY:  
Chest plate is not protective

### 2 Cape

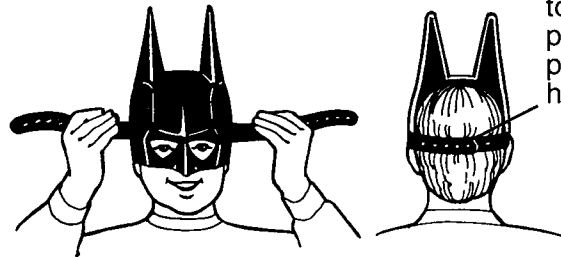

Fastener holds cape around neck.

CAUTION-FOR PLAY ONLY:  
Cape does not enable user to fly

### 3 Mask

Adjust straps to fit by putting pegs into holes.

CAUTION-FOR PLAY ONLY:  
Mask is not protective

### 4 Double Barrel Water Blaster

Apply label to front of water gun. To fill blaster, squeeze bulb to release air. Dip into water and release bulb. When blaster is full, squeeze bulb to fire. One hard squeeze will shoot a double stream up to 7 feet. Light squeezes will shoot up to ten individual shots.
