⚠ WARNING: Do not use BEYBLADE tops or Beystadium™ on tables or other elevated surfaces.

BEYBLADE tops/BEYSTADIUM are intended to be used on the floor. Do not lean over the stadium when BEYBLADE tops are in play. BEYBLADE tops may bounce up and hit eye or face.

- Before assembly and playing, please read instructions. Please keep these instructions for future reference.
- When removing parts from runner frame, ask an adult to help you trim off any excess plastic using scissors or other suitable tool.
- The frame is numbered. Please follow the numbers carefully and make sure you are assembling the right parts.
- Discard plastic bags immediately.

PARTS:
Runner Frame Parts, Blade Base, Attack Ring, Axle Ring, Metal Weight Gear, Right-Spin Launcher, Ripcord

Note: Bit Chip with holes/triangle on one side can be used with BEYBLADE ELECTRONIC LAUNCHERS (sold separately).

BUILD:

- Place Axle Ring on Axle. Snap 5 Outer Shaft around Axle.
- Place Metal Weight Gear on shaft.
- Snap both halves of 3 Right Spin Gear around shaft, enclosing Metal Weight Gear.
- Peel and apply stickers as shown.

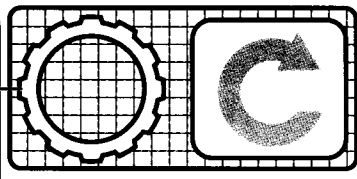

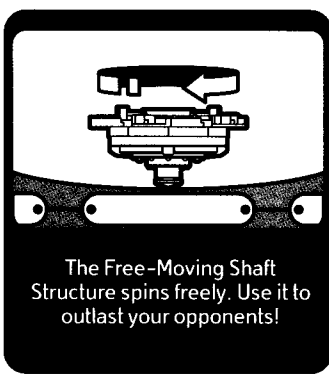

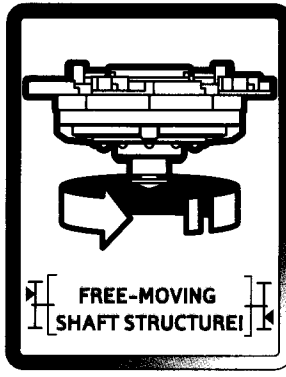

NOTE! The Bit Chip sticker on the large label sheet must be applied to the Bit Chip that has the holes/triangle on one side. Apply stickers to smooth sides of Bit Chips.
- Insert 2 Attachments into Blade Base until the tips are just past the knobs. Do not insert attachments all the way in at this time.
- Place Right Spin Gear into Blade Base.
- Snap Attachments all the way into Blade Base to secure Right Spin Gear.
- Place 4 Weight Disk on Blade Base.
- Place one Bit Chip on Attack Ring.
- Place Attack Ring onto Blade Base, aligning tabs on ring with grooves on spin gear. Turn ring to the left until it locks onto base. (To remove ring from base, turn ring to the right.)
- Your BEYBLADE top is now ready for battle!

LAUNCH:

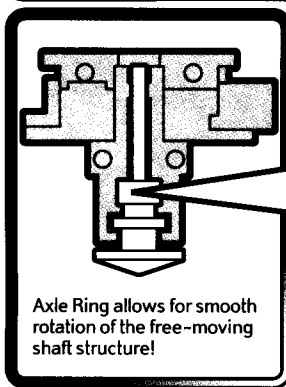

- Insert ripcord into launcher as shown.

NOTE: Use left-spin launchers for Left Spin Gears; use right-spin launchers for Right Spin Gears.
- Insert posts on launcher into openings in BEYBLADE top, as shown.
- Hold lower half of launcher and rotate BEYBLADE top left to lock it in place.
- Holding the launcher securely, pull the ripcord over the BEYSTADIUM (not included) - the BEYBLADE top will spin... launch... and battle!
