## Get Breakfast Lovin' Baby™ ready for breakfast!

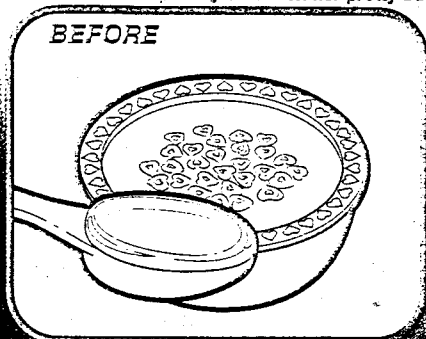

- REMOVE the sticker from the top of the cereal bowl.
- Make sure Breakfast Lovin' Baby™ is wearing her bib, so that she won't spill any cereal on her pretty outfit.

### 1. "Pour" the cereal!

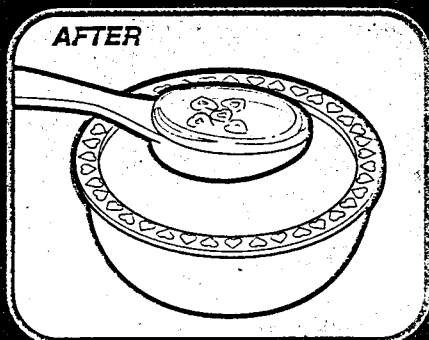

Shake the cereal box over the bowl to hear the pretend "cereal" inside the box!

*Note: Do not open the cereal box!*

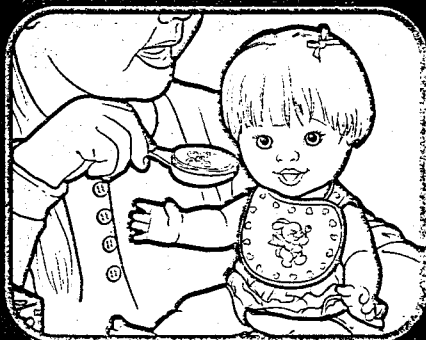

### 2. Get ready to eat!

Hold the empty spoon level, and place it on the edge of the cereal-filled bowl.

### 3. Scoop a spoonful of cereal!

Slowly slide the spoon across to the CENTER of the bowl. HOLD the spoon in the center of the bowl and watch the cereal disappear from the bowl and reappear in the spoon!

### 4. "Feed" Breakfast Lovin' Baby™!

Holding the cereal-filled spoon level, raise it to Breakfast Lovin' Baby's mouth. Tip the spoon on a downward angle to feed baby. The cereal magically disappears from the spoon!

### 5. Watch Breakfast Lovin' Baby™ eat her cereal again and again!

Now the bowl is magically full of cereal again, and the spoon is magically empty again. Breakfast isn't over yet - you can feed Breakfast Lovin' Baby™ over and over again!
