

Busy Activity Box

Peg board!

This portable activity center has built-in places to play and plenty of room to store all the colorful pieces!

Lift the attached stacking post to stack the rings.

Stack the pegs, gears and shapes in fascinating combinations on the peg board. Sort the shapes through the shape-sorter, or turn the sorter to remove the pieces with ease. A separate piece fits over the peg board and has a scribbling surface on one side and a flat writing surface on the other side. All the pieces store in the compartment under the peg board for take-along fun!
