Decorating

Get ready! You'll need your *Microwave & Style™* kit (sold separately).
Tape down wax paper or use a nonstick mat.

STEP 1: Make your cakes and cookies. (Mixes sold separately.)

STEP 2: Make your fondant.

NOTE: For best results, work with 1–2 colors at a time. Use separate bowls.

1. Pour 1 fondant mix and 1  spoonful of water into a bowl. **IMPORTANT! Do not add extra water.**

Mix well (about 50 stirs). Use a rubber spatula to press mixture against sides of bowl until you form dry, doughy clumps of fondant.

2. Use your hands to knead the fondant together in the bowl.

3. Roll the fondant in your hands until you form a smooth ball.

TIP: If your fondant is too sticky, sprinkle flour on your hands. If it is too crumbly, add a dab of water with your fingertip.

STEP 3: Decorate your cakes and cookies.

Use decorating tools from your *EASY-BAKE* kit to mold, shape and stamp fondant!

STEP 4: Attach decorations with frosting! (Mix sold separately.)
