- Tagging opponents
- If an opponent sticks a dart to your jersey, you're out of the game for 10 seconds.
- Capture the "flag*"
- To capture the "flag*" you have to take the other team's "flag*" and return it to your base. If a player is tagged while carrying the "flag*," he must drop the "flag*" to serve his 10-second penalty. The "flag*" stays where it is until another player picks it up. It can be returned to its home base by a player, or captured. Once the "flag*" is captured, play stops while it is returned to its home base.
