

# BATMAN

As the battle against the forces of injustice rages on, Batman utilizes the most advanced and specialized gear to help him crush crime! With his specialized gear, **Cave Climber Batman** can reach villains wherever they are trying to hide!

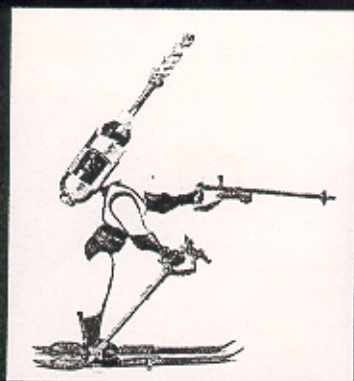

Place weapon and launcher in figure's hands as shown. Load projectile into launcher. Push down on end of projectile to fire it.

## THE NEW BATMAN™ ADVENTURES

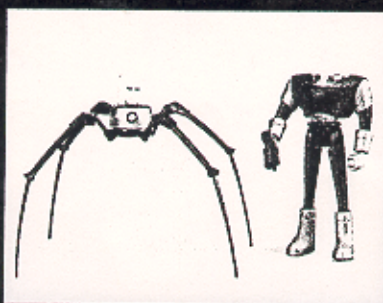

# MISSION MASTERS™

Developing the latest criminal technologies, the most dangerous villains in the history of **Gotham City** have become even more powerful and threatening! But **Batman** has designed a plan to beat them at their own game: **Mission Masters**. With this highly specialized gear, **Batman** and his allies can fight their enemies anywhere and everywhere, on any terrain and in any climate conditions. From underground caverns to the soaring skies - with **Mission Masters**, no criminal is safe!
