Chiming Baby View Mirror™

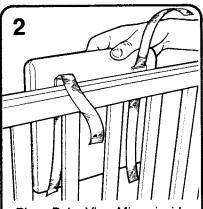

ATTACHMENT INSTRUCTIONS

CAUTION: Be sure baby is out of crib when installing Baby View Mirror.

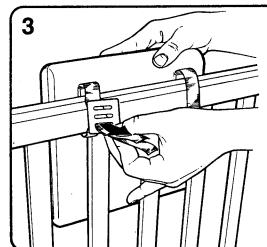

Discard plastic tabs after removing Baby View Mirror from insert.

NOTE: Baby View Mirror adjusts in height with straps and should be positioned so that babies can see their reflections when lying in the crib.

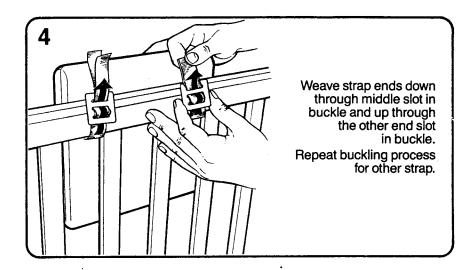

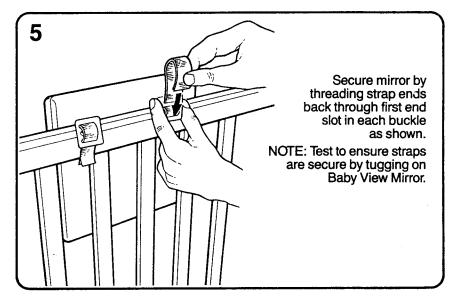

Place Baby View Mirror inside crib against crib bars, with front of mirror facing inside crib.

Pull ends of one strap around top crib rail until ends are even. Slide strap ends **together** through end slot on buckle. Slide buckle down strap until mirror is at height desired.

CAUTION: KEEP STRAP ENDS OUTSIDE OF CRIB AND AWAY FROM BABY'S REACH.
