Datafun™

The Electronic Organizer For Anyone Anytime Anywhere

71503IWTIE-2
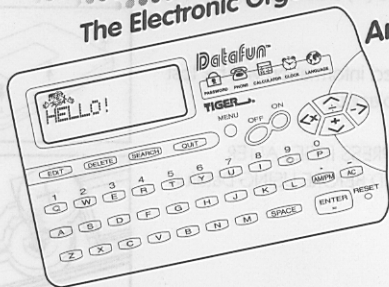

I N S T R U C T I O N S

Using Data Fun

DATAFUN keeps your secrets, tells you the time, and keeps names and addresses for you. In just a few moments, you can:

See the time of day, month and year with Datafun ....CLOCK.

Add, subtract, multiply and divide quickly and easily with Datafun ....CALCULATOR.

Keep 30 to 40 names, phone numbers and birthdays with Datafun ....FRIENDS and FAMILY.

Use a secret password to keep others from seeing your files with Datafun ....PASSWORD.

Choose English, German, French, or Dutch to "prompt" you with Datafun ....LANGUAGE.

ON and OFF

When you turn Datafun "**ON**", a jester greets you and says "HELLO!"

HELLO!

Your friend stays with you and points to the menu until you choose a file to use.

And your friend says "BYE BYE!" when you turn "**OFF**" Datafun.

BYE BYE!

SPECIAL DATAFUN KEYS AND HOW TO USE THEM...

EDIT — Press **EDIT** when you want to change information on the screen. You then add or remove data using the keyboard.

DELETE — Press **DELETE** to erase a blinking character, or to erase an item in Friends and Family file.

SEARCH — Press **SEARCH** to look through a list.

QUIT — Press **QUIT** to stop editing or reading a list and go back to the beginning of a file (or sometimes to the SELECT screen).

MENU — Press **MENU** to jump right back to the SELECT screen (main menu).

UP, DOWN, RIGHT, LEFT Arrows — Press keys to make words on screen move up or down or to move the blinking character right or left. Also, used by calculator to add (+), subtract (-), multiply (X) or divide (÷).

AC — Press **AC** (all clear) to clear the calculator.

ENTER — Press **ENTER** to make a selection when Datafun asks you to. For calculator, **ENTER** is the = (equal) sign.

RESET — Use a ballpoint pen to press **RESET**. The screen will ask you if you want to CLEARALL Y/N?. Press **Y** if you want to clear all data or press **N** if you do not.

NOTE: You must press RESET before using Datafun for the first time and after battery replacement.

SPECIAL WORDS AND WHAT THEY MEAN

NOT FOUND	Information you are looking for is not in file.
PROMPT	Word(s) on screen that ask you to do something.
INVALID	Entered birth date in wrong format.
END OF FILE	You have reached the last entry in file. Use ▲ to scroll back or press **QUIT**.
ERROR	This means your calculation will not fit on screen, or the calculation is not a real number.

AFFIXING DATAFUN TO CASE

To affix Datafun to the included protective case:

1. Before affixing Datafun, place unit on protective case and fold cover over the top of unit. The embossed Datafun logo on the cover should be facing up. This is the recommended placement for affixing.

2. Lift unit and peel the back off the double sided tape already affixed to the protective case.

3. Place unit on cover as done in step 1.

4. Press bottom of Datafun and back of cover firmly together.

CHOOSING THE LANGUAGE FOR PROMPTS

Datafun lets you pick the language for prompts. You can choose English, German, French, or Dutch.

1. Press **MENU**.

2. Use ◄ and ► to choose the world symbol. World (🌐) flashes.

3. Press **ENTER**.

4. Press ▼ repeatedly to find the language you want or press ▼ and 1 for English, 2 for German, 3 for French or 4 for Dutch.
   ENGLISH
   GERMAN
   FRENCH
   DUTCH
   ENGLISH

5. Press **ENTER**. You then return to SELECT screen using the language you've chosen.

6. To change the language, repeat steps 1 thru 5, and choose a different language at step 4.

USING CALCULATOR

1. Press **MENU**.

2. Use ◄ and ► to choose calculator (calculator 🖩 flashes).

6. Press keys **0 - 9** (2 digits to set hours and 2 digits to set minutes). Press **ENTER**.

7. Press **AM/PM** to choose AM or PM, if applicable.

8. Press **MENU** to go back to SELECT screen.

REPLACING THE BATTERIES

To replace old batteries, first turn the unit off. Have an adult help loosen the screws on the bottom cabinet. Remove the old batteries and replace with fresh ones, making sure that its positive (+) side is facing up. Replace the bottom cabinet and tighten screws.
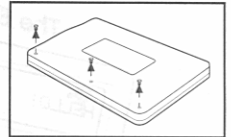

NOTE: All previously stored information will be lost when the batteries are replaced.

IMPORTANT: YOU MUST PRESS RESET AFTER REPLACING BATTERIES AND BEfORE USING Datafun FOR THE FIRST TIME.
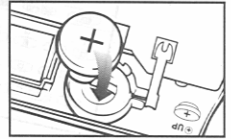

TROUBLE SHOOTING

SYMPTOM	SOLUTION
Unit will not function after initial battery insertion.	**RESET** button on the front of the unit **MUST** be pressed before using for the first time.
Unit freezes or will not turn off.	Press the **RESET** button on the front of the unit.
The screen becomes dim, cursor movement slows or unit functions inconsistently.	Batteries require replacement.

90-DAY LIMITED WARRANTY

Tiger Electronics, Inc. (TEI) warrants to the original consumer purchaser of any of its electronic games or toys that the product will be free of defects in material or workmanship for 90 days from the date of original purchase.

During this 90-day warranty period, the product will either be repaired or replaced (at our option) without charge to the purchaser, when returned either to the dealer with proof of the date of purchase or to TEI when returned prepaid and insured with proof of date of purchase.

Product returned to TEI without original receipt or after the 90-day warranty has expired, but prior to one year from the original date of purchase, will be repaired or replaced (at our option) for a service charge of US$7.50. Make check or money order payable to Tiger Electronics, Inc.

TEI will not be liable for loss of use of the product or other incidental or consequential costs, expenses, or damages incurred by the purchaser. Any implied warranties are limited in duration to the 90-day period from the original date of purchase.

All product returned must be shipped prepaid and insured for loss or damage to: Tiger Electronics, Inc. Repair Dept.
980 Woodlands Parkway
Vernon Hills, Illinois 6006l U.S.A.

1. Pack the product carefully in the original box or use a good-quality carton with packing materials.

2. Include a letter with a complete description of the defect, a check if product is beyond the 90-day warranty, and your printed name, address and telephone number.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state so the foregoing limitations may not apply to you. This warranty does not cover damages resulting from accident, unreasonable use, negligence, improper service or other causes not arising out of defects in material or workmanship.
