Deluxe Diaper Changing Center

Birth & Up 39932

Thank you for purchasing this product. If you have any questions or comments about this product, please call Playskool toll-free at 1-800-PLAYSKL.

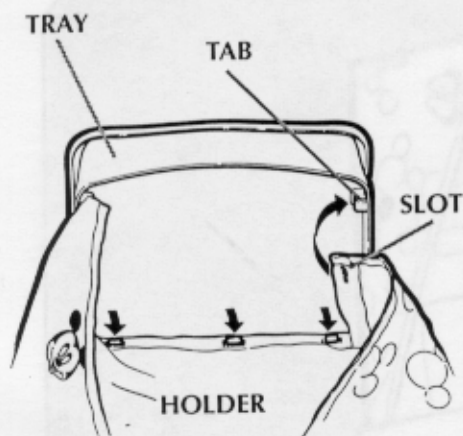

CAUTION: This product contains small parts which are necessary for assembly. Prior to and during assembly of this product, keep small parts out of children's reach. Small parts pose a choke hazard to children under 3 years of age.

Do not hang on crib or playpen. Do not use for storage of medicine.

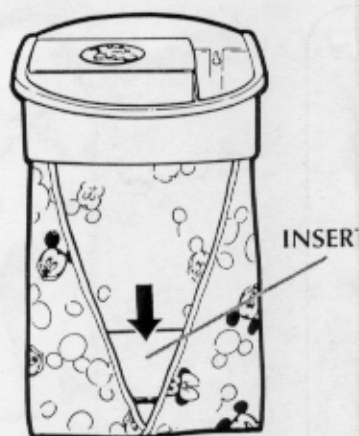

Adult assembly required. Tools needed for wall attachment (not included):
Drill with 1/4" drill bit and Phillips screwdriver.

To Attach Fabric Diaper Holder to Organizer Tray:

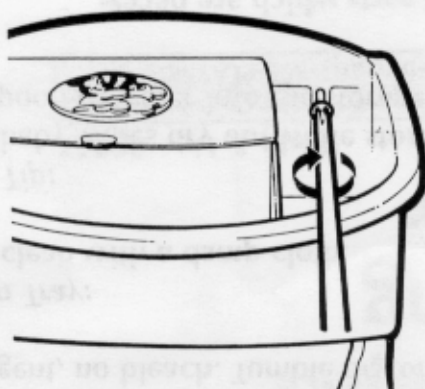

1. Position front of tray and opening in holder so that they face you. Starting at one end and working to the other end, slide slots in holder over tabs on tray.

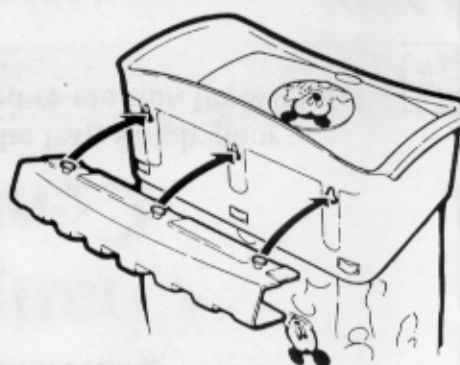

2. Place insert in bottom of holder.

To Mount Organizer on Wall (cont.):

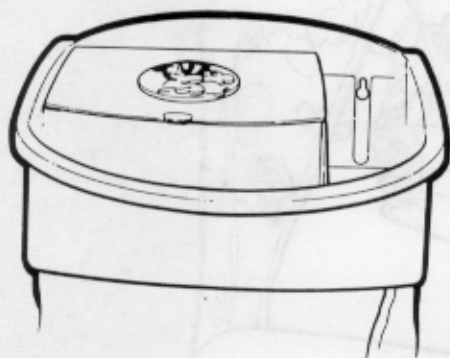

3. Place tray upright against wall with front of tray facing you, aligning holes in tray with holes in wall. Insert a screw into each hole and tighten, using a Phillips screwdriver.

To Attach Hanging Bracket (To H

1. With tray and bracket in upright position, insert knobs on bracket into holes in back of tray. Slide bracket all the way up until it is firmly attached to the tray.

To Mount Organizer on Wall:

1. With front of tray facing you, place tray against wall in desired location and mark the two **end** screw holes (**not** the center hole) on the wall with a pencil. Using a drill with a 1/4" drill bit, drill holes at marked spots.

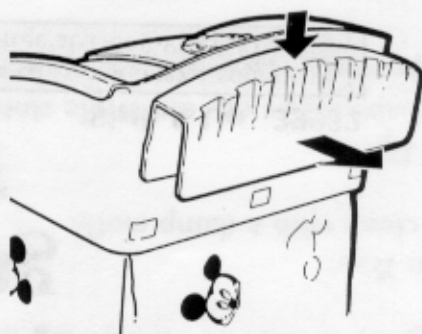

2. Insert wall anchors all the way into holes in wall.

Hang Organizer on Changing Table:

2. Hang bracket over edge of changing table.

NOTE: MAKE SURE THE ORGANIZER IS SECURELY IN PLACE WHEN HANGING FROM TABLE.

3. To detach bracket from tray, slide bracket down and remove.

Wash Fabric Diaper Holder:

Remove insert from diaper holder. Remove diaper holder from plastic tray. Machine wash--gentle cycle, cold water, mild detergent, no bleach. Tumble dry on low heat setting.

Clean Tray:

Wipe clean with a damp cloth.

Helpful Tip:

If the baby wipes dry out while stored in the tray, simply pour a tablespoon of water into the storage area to re-moisten the wipes.
