# Oream Light Melody Maker

Now kid's can go to sleep to the popular melodies "Sunny Day" and "People In Your Neighborhood". Color-coded controls for melody start (green) and stop (red) make operation easy. Programmable night light illuminates the Sesame Street neighborhood scene while auto power-off conserves batteries. A spare bulb is included to simplify replacement. Coupon enclosed for free AC adapter enabling automatic operation of night light as the room darkens.

Ages: 3 years and over
