MAKE MY LITTLE PONY COOKIES!

Bake the Cookies

- One cookie mix packet makes 4-5 cookies.
- Preheat your EASY-BAKE Oven for 15 minutes.
- Spray baking pan and cookie cutter (lightly) with non-stick cooking spray.

1. Pour contents of cookie mix packet into a mixing bowl. Add 1 teaspoon of water, and mix with a spoon. Press dough against side of mixing bowl until it clings together.

3. Sprinkle a small amount of flour into cookie cutter, then press cutter firmly into the dough, cutting out the pony CUTIE MARK shapes. Repeat process until all dough is used.

2. Prepare a clean surface and sprinkle it with flour. Form dough into a ball with your hands and flatten it on the clean surface. Use a roller to roll dough flat to about 1/8" thickness.

4. Place cookies in a baking pan, 2 at a time. Use the EASY-BAKE pan pusher to insert pan into EASY-BAKE Oven. Be sure to insert pan far enough so that metal door closes. Bake cookies for 6-8 minutes.

5. When baking time is complete, use other end of pan pusher to push baking pan all the way through to cooling chamber. Allow cookies to cool in cooling chamber for 10 minutes. Then, remove the pan with the pan pusher. When cool, remove cookies from pan. Note: If the shape of cookie or design impression on top are less defined after baking, simply press cookie cutter over cookie again to reshape.

Make Frosting

1. Pour vanilla frosting mix packet into mixing bowl. Add 1/2 teaspoon of warm water, and stir thoroughly with spoon until smooth. (For thinner frosting, stir in droplets of water to desired consistency.)

Complete Your Creations!

1. With a spoon, spread frosting around the edges of the cookies.

2. Sprinkle multicolored nonpareils and chocolate jimmies over the frosting!
