OBJECT

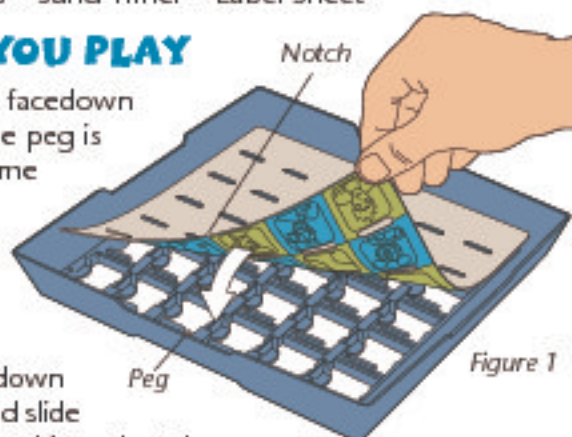

Be the player with the most tiles when the 4th Mickey tile is revealed.

CONTENTS

- Gameboard Frame • Game Card with 36 Disney Character Spaces
- 36 Disney Character Tiles • Sand Timer • Label Sheet

THE FIRST TIME YOU PLAY

Place the gameboard frame facedown on a flat surface, so that the peg is on the bottom. Lay the game card on the gameboard frame character-side down, aligning the holes with the tabs and the notch with the peg, as shown in FIGURE 1. Press down lightly on the game card and slide down slightly to lock the card into the tabs. Run your finger along the top edge of the card so it locks. Turn the frame over and apply the sticker labels to the matching recessed areas in the front.

HOW TO SET UP THE GAME

1. Place the gameboard on a flat surface.
2. Randomly place the Disney character tiles with the green backgrounds over the gameboard slots with green backgrounds. Do the same with the blue tiles and blue backgrounds. You're now ready to play!

HOW TO PLAY THE GAME

1. Youngest player goes first. Play then continues to the left.
2. Turn over the timer to start your turn. Remove one of the Mickey Mouse tiles (it doesn't matter which one) and place it in front of you.

3. See the character hidden underneath? Now you have to find and collect that character tile. Continue to find and collect character tiles until either time runs out or you reveal another Mickey Mouse. This ends your turn. Keep the tiles you collected so you can count them at the end of the game.
4. Players continue to take turns as above, until the 4th Mickey Mouse is revealed.

DID YOU WIN?

The player who collected the most tiles at the end of the game wins!

A SIMPLE ACTIVITY FOR ONE PLAYER

Try to beat the timer! Play the game as above, but see how many Disney characters tiles you can find before time runs out.
