

**AGES 3+
FOR 2 PLAYERS
ADULT ASSEMBLY REQUIRED**

CONTENTS

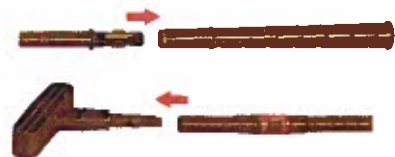

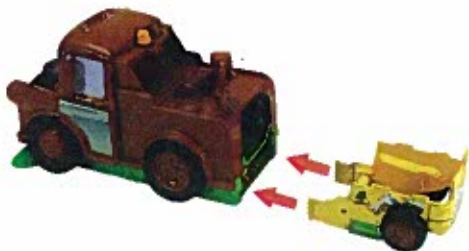

• Mater with snap-in cart piece • 2 Three-piece putters • 2 golf balls

OBJECT

Score four points by hitting your ball through Mater and into his cart

SNAP IN MATER'S CART

Place Mater on a flat surface, and then slide in his cart piece until it snaps into place.

ASSEMBLE THE PUTTERS

To assemble each putter, take three matching-color pieces and snap them together as shown.

GET READY!

Mater Golf plays best indoors on a low-pile carpet. Avoid rough surfaces and shaggy carpeting.

1. Place Mater in the center of an open area.
2. Take the putter and its matching colored ball. Slide the score marker on your putter to "0" as shown.
3. Place the balls side by side, an equal distance away from Mater. This is the starting position for both players.
4. Set Mater by holding down his base while pulling his body up until it locks into the position as shown.

LET'S PLAY!

1. Choose a player to putt first. Players then alternate turns taking one putt.
2. Try to "sink your putt" by hitting your ball through Mater and into his cart.
 - If you sink your putt, Mater will flip the ball back out of his cart! Score a point by sliding the score marker on your putter to the next higher number. Your turn is then over.
 - If you don't sink your putt, your turn is over.
3. Leave your ball wherever it stopped. You must putt from that location on your next turn.
4. Set Mater in the open position to get him ready for the next putt.

PUTTING POINTERS

- If you don't have a clear shot, use your turn to "set up" a shot for your next turn.
- If your ball is touching an object (a wall, furniture, your opponent's ball, even Mater), you may move it one putter head away from the object at the beginning of your turn.
- If your opponent's ball is between your own ball and Mater, you must try to putt around it.

HOW TO WIN

The first player to reach 4 points wins the game!
