## FAMILY TREE HOUSE

Featuring the TreeTots...your friends from the magic forest.  
 The make believe home with everything in it...

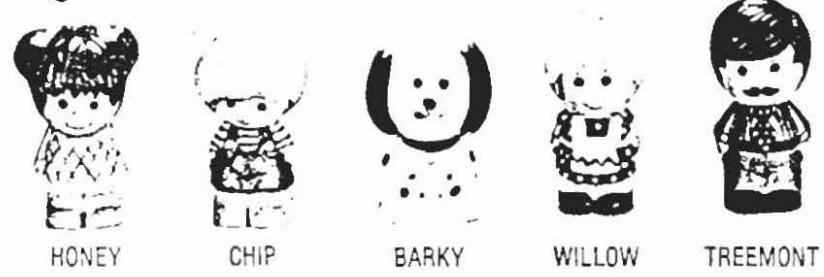

"Treemendous" play value for Preschoolers — fascinating fairy-tale fantasy with the TreeTots, lovable little forest folks who live, work and play in a magical tree. Push button and leaves of the magical tree pop open revealing beautifully detailed 15" high Family Tree House...with a "click-click" elevator that cranks up and down, a front door that opens and closes; fold out stairs, rooms full of TreeTot furniture to arrange; even a swing, a dogwood tree for Barky the dog and a TreeTot car to transport the family to any part of the forest. All finely detailed pieces fit back into Tree that shuts into a carrying case with hand

Patent Pending

1975
