

ELECTRONIC LCD GAME**FLYZZ!**™**1. GAME STORY****"IT'S THE ONLY WAY TO FLY"**

Meet the FLY family:

**SLY**

-- a wild wacky, caution-to-the-wind fly who wears a biker jacket and has slicked back greasy hair on his head.

**CY**-- mild-mannered **UNLESS PROVOKED**, very smart fly who is "nerdy" looking and has one of those pocket protectors in his shirt full of dorky pens.**GUY**

-- athletic, high flyer fly, who wears high top basketball shoes, and a sweat shirt with the number #1 on it.

**LADY DI**

-- a hard-flying lady fly who even the Spider Gang respects.

The Fly family came to the house on Covington Street on a fine summer's day--and would not leave. And why not? The owners of this house have four sloppy kids who spill apple juice, drop candy wrappers, and generally spill as much food as they eat! Now the human owners of the house are chasing them around with flyswatters and strategically placing sticky flypaper around the house.

The sloppy kids have a fat bullfrog named "Spot", that is loose and is really hungry for some fly juice! So you've got to try to avoid getting eaten by "Spot" the bullfrog!

There's also a Garden Snake named "Chloe", and she'll try and spit her venom at you!

There's also a stupid family dog named "Socrates". Call for Socrates whenever you're in trouble, and then you can latch on to Socrates (who has never been given a flea collar) and you can ride off to safety.

The Spider Gang, who are used to having their run of the place, are rapidly erecting spider-webs to trap you! The Spiders are really "ticked" at you and want to fight you in martial arts combat, which earns you more points but it is quite difficult on account of The Spider Gang members having 8 arms each! It's a classic case of a fly's winger agility versus the strength of a spider's 8 arms!

So enjoy the day--but remember, even if you avoid Chloe the Snake's venom and Spot the Bullfrog's appetite, and even if you perfect some great "fly"-by-night special moves to defeat the Spider Gang members, out of nowhere you can be "swatted" by a flyswatter!

2. THE OBJECT OF THE GAME

"SURVIVE AND THRIVE"

You choose your fly before each stage begins. So you can choose a different fly for EACH STAGE if you want to! Each fly has their own special moves.

You begin each stage with 3 lives and a full energy bar. You lose energy whenever you are swatted by a FLYSWATER, caught up in FLYPAPER, caught in a SPIDER'S WEB, eaten by the BULLFROG, spit on by the GARDEN SNAKE or whenever you're successfully attacked by a member of the SPIDER GANG.

Whenever you can EAT A BREAD CRUMB, it adds a bar to your ENERGY.

To score the maximum number of points, you must also use OFFENSIVE FIGHTING TECHNIQUES against the Spider Gang!

Whenever you lose all your energy, you lose a life. If you lose all 3 lives on a stage, it's a GAME OVER.

You WIN the game by surviving all 5 stages of play.

Press the ON/START button to turn on the unit. You'll hear an "On" beep and the maximum score is displayed. Your default fly (SLY) is shown on screen.

Use the SELECT button to toggle your choice of fly fighters before EACH stage begins. Each fly has his/her own special moves. Pressing "◀" or "▶" together with the FLAP button activates each special move:

After you have selected your fly fighter, press the ON/START button to begin stage 1. You begin each stage flying forward automatically.

You fly defensively to stay out of the way of dangers but you fly offensively in combat, using your special fighting moves in combat against members of the Spider Gang!

Use your control buttons to help you:

- use the FLAP button to attack spiders!
- use the EAT/CALL button to eat bread crumbs in order to restore your energy.

You also use this button to call for the dog when bread crumbs are not present. You then automatically hitch a ride to safety on the dog, but you can only call for the dog 3 times per stage.

- Use the LEFT and RIGHT "LOOP" buttons to do loop de loops!
- Use the four directional buttons ("▲", "▼", "◀", "▶") to fly UP, DOWN, LEFT, and RIGHT.

You SCORE POINTS with simple FLAP attacks (by just pressing the FLAP button).

NORMAL FLAP ATTACK

But you SCORE MORE POINTS with special moves! You need to flap two times to destroy a spider by normal FLAP ATTACK. But a special move can destroy a spider with just one hit!

NORMALLY IT TAKES 2 HITS TO DESTROY A SPIDER. BUT WITH A SPECIAL MOVE, IT ONLY TAKES ONE HIT!

When you get caught in flypaper or in a spider web, use the four directional buttons to try and wiggle free before you're attacked by a spider!

YUCK! SNAKE SPIT! YOU LOSE ENERGY WHEN THE SNAKE SPITS ON YOU!

WHEN YOU'RE STUCK, THE SPIDER GANG WILL MOVE IN! WHEN A SPIDER REACHES YOU, YOU LOSE A LIFE! SO USE YOUR FOUR DIRECTIONAL BUTTONS TO TRY AND WRIGGLE FREE BEFORE THE SPIDER GETS TO YOU!

FLY TO BREAD CRUMBS AND THEN PRESS THE EAT BUTTON TO EAT THEM! MY, THEY TASTE GOOD--AND THEY PROVIDE EXTRA ENERGY!

OUCH! WHENEVER YOU'RE HIT BY THE FLY SWATTER, YOU'LL LOSE A LIFE!

The game pauses after each stage is complete. Then use the SELECT button to choose the FLY OF YOUR CHOICE for the next stage.

Then press the ON/START button to begin the new stage with your new fly fighter. If you fail to use the SELECT button to choose a new fly, you begin the new stage with the same fly you used in the previous stage.

After a GAME OVER, press the ON/START button to begin a new game!
