

Ages 5 and up.

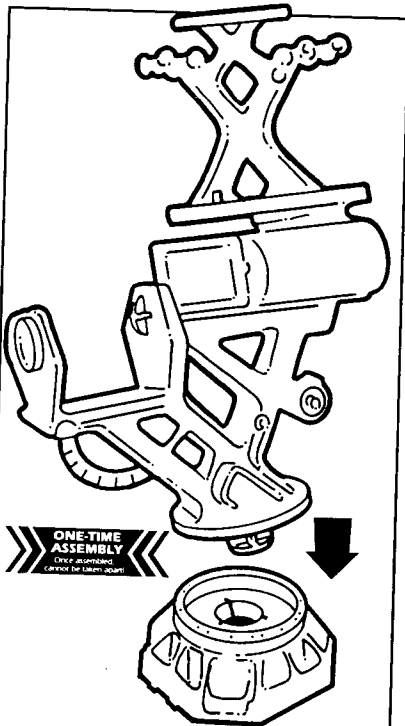

GI JOE

EXTREME™

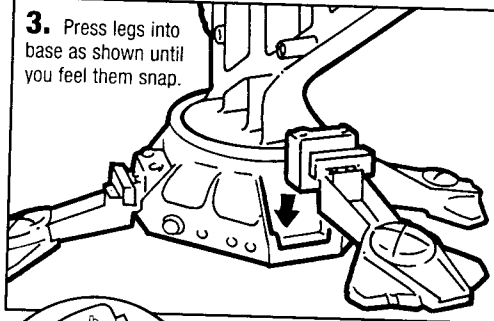

SPITFIRE™ BATTERING PLATFORM Instruction Sheet

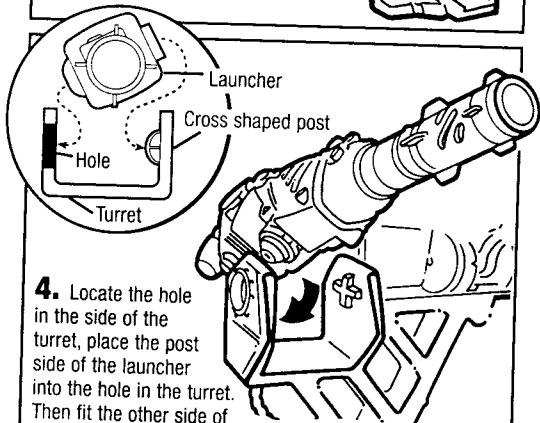

1. Apply labels to unassembled parts, using numbers on the label sheet and these illustrations as a guide.

2. Attach turret to base as shown.

3. Press legs into base as shown until you feel them snap.

4. Locate the hole in the side of the turret, place the post side of the launcher into the hole in the turret. Then fit the other side of the launcher over the cross shaped post on the other side of the turret.

5. Place the figure's right foot onto the footpeg on the platform to help the figure stand.

6. Place a missile into launcher. To fire missile, slowly pull back gun handle until it locks. Aim gun, press down on launching button.

7. By hitting the target as shown, you can knock the figure off the platform.

Lift platform to reset.
