AMPHIBIOUS PERSONNEL CARRIER Instructions 6.093

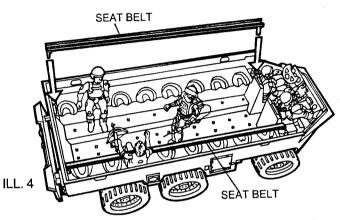

ILL. 2

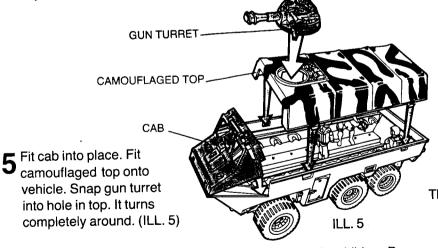

Place two figures into the two front seats. Holes in their feet Place two figures into the two from 354131. (ILL. 2) fit over the pegs on the floor of the vehicle. (ILL. 2)

Seat your G.I. Joe figures in the back of APC. Foot pegs help keep them in place. Ten sets of foot pegs in center aisle let you stand 10 more figures. (ILL. 3)

Fit the two long seat belts into place. They hold your figures steady in their seats. (ILL. 4)

REAR BUMPER The rear bumper pulls out to let you carry your APC easily.

into hole in top. It turns
