

CONTAINS: Inflatable boat, hull section, boat topside, outboard engine, engine cover, propeller, propeller shaft, launcher, 3 torpedoes, 2 torpedo racks, 2 rubber bands, flag and label sheet.

WARNING
Contains small parts which may present a choking hazard to children under three.

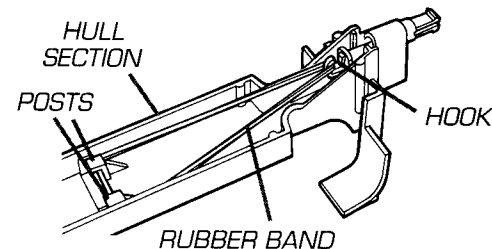

1. INFLATING BOAT

Blow into nozzle until boat is inflated. Then push nozzle down into place as shown.

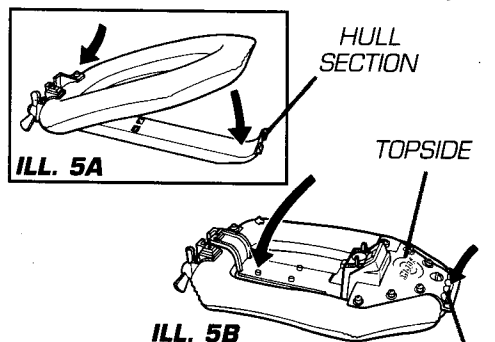

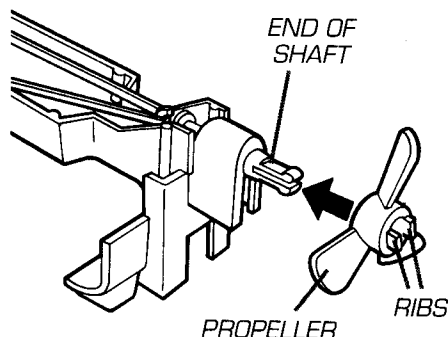

2. PROPELLER SHAFT ASSY.

With hook facing up, insert shaft through hole in back of hull section. Then swing end of shaft down to position shown (INSET).

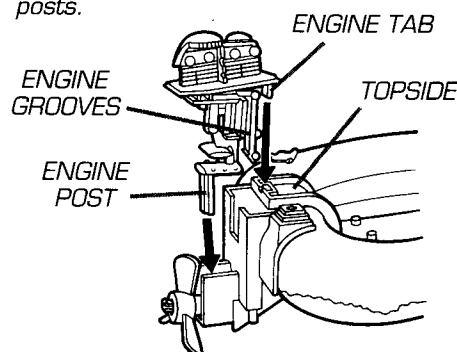

3. ATTACHING RUBBER BANDS

Turn hull section upside down. Loop rubber band onto propeller shaft hook, then onto posts.

5. HULL ASSEMBLY

Turn hull section over and fit back of boat into back of hull section, then lower front of boat into front of hull section (ILL. 5A). Snap tabs at front of hull into slots in topside. Fit topside down into boat.

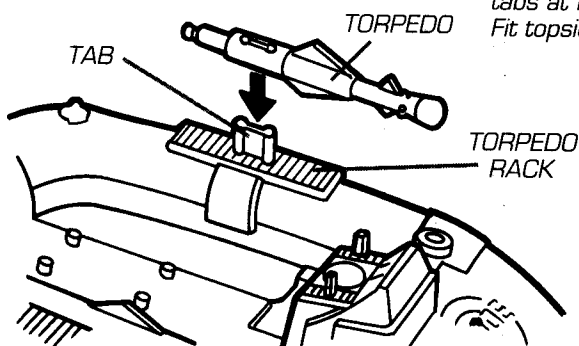

6. ENGINE ASSEMBLY

To secure the topside to the hull section, insert the engine tab, engine grooves and engine post down into place as shown.

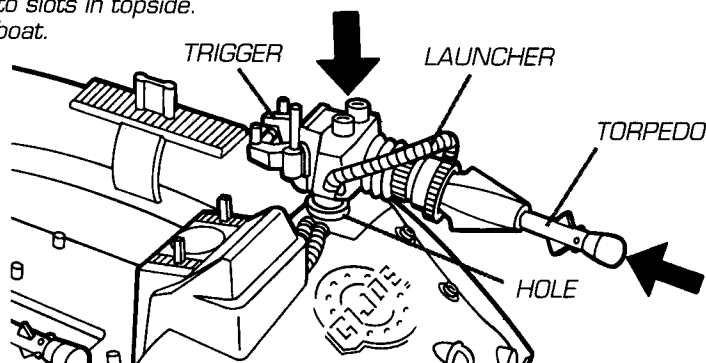

4. PROPELLER ASSEMBLY

Part end of shaft into propeller hole so that tabs at end of shaft fit between ribs on propeller.

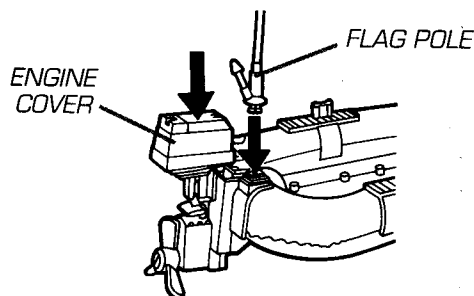

7. TORPEDO RACK ASSEMBLY

Fit torpedo racks onto sides of boat. Torpedoes store on torpedo rack tabs as shown.

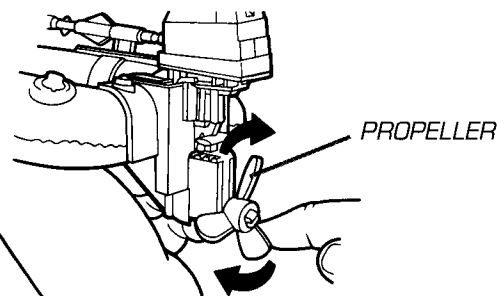

8. TORPEDO LAUNCHER

Insert post on launcher into hole in topside. Insert torpedo into barrel and lock in place. To fire, press trigger. CAUTION: DO NOT AIM WEAPON AT EYES OR FACE.

9. ENGINE COVER/FLAG ASSEMBLY

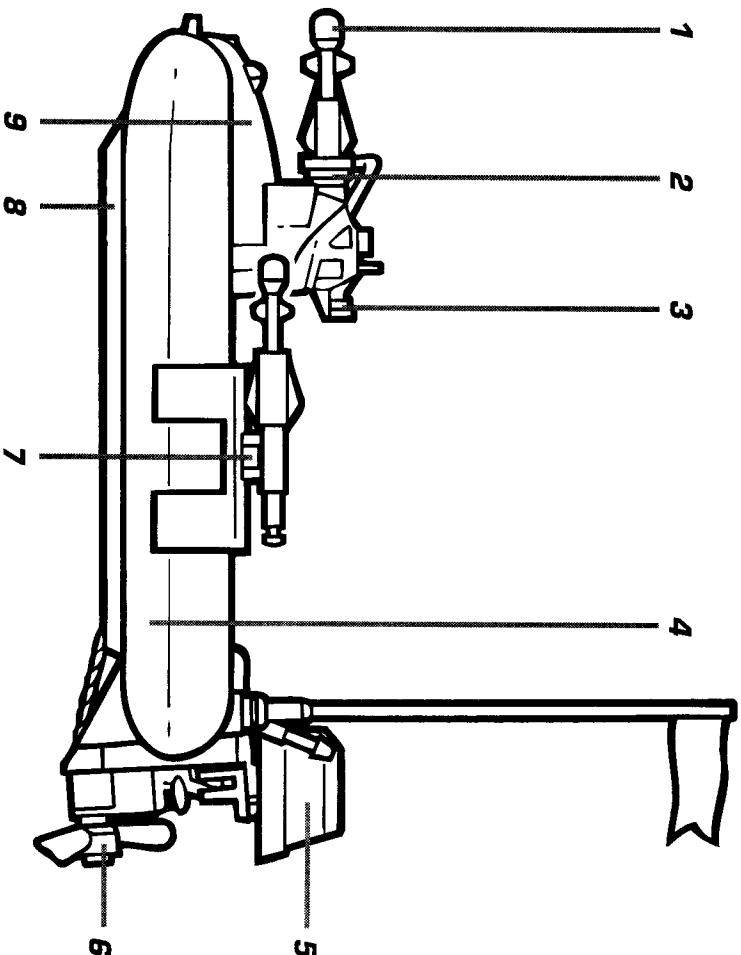

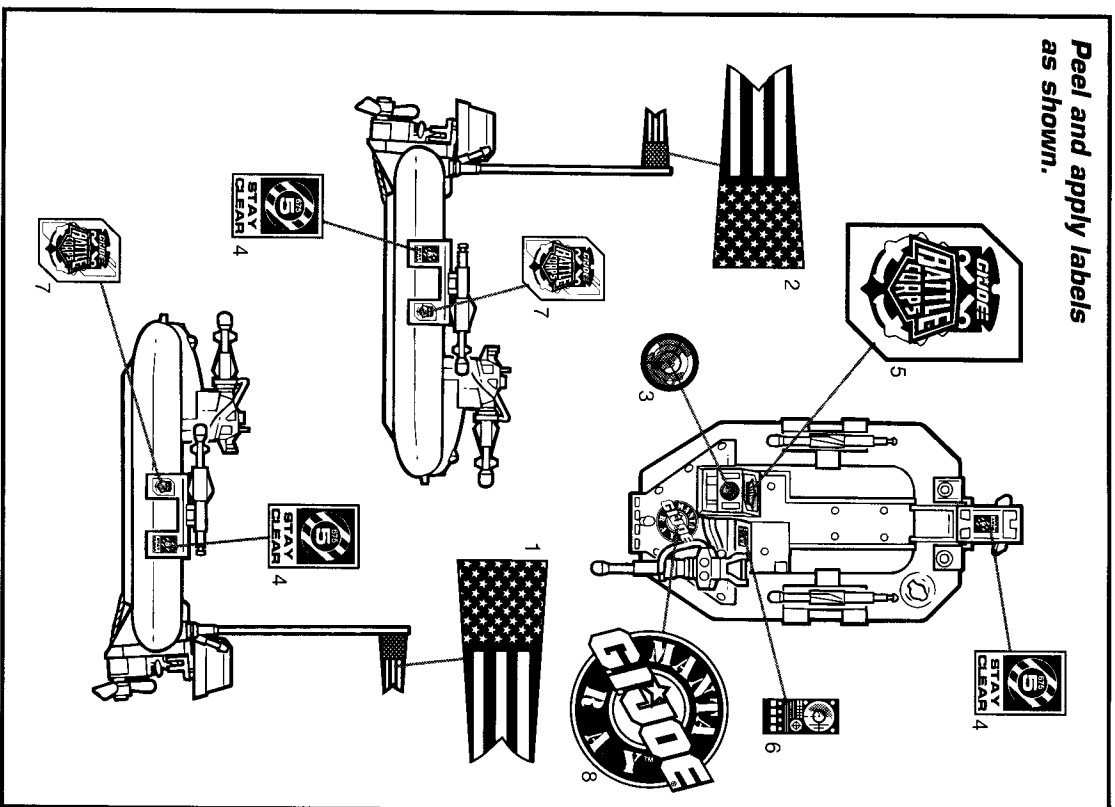

Place the removable engine cover over engine as shown. Insert flag post into hole.

10. LAUNCHING MANTA-RAY™

Your MANTA-RAY is ready for action! Wind propeller and hold in position. Place boat in water, then release propeller for water blasting commando adventures!

Peel and apply labels as shown.

MANTA RAY™
