R.O.C.C.™ INSTRUCTIONS

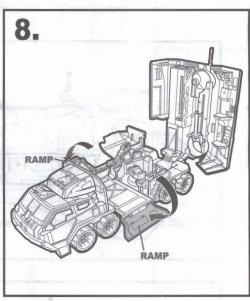

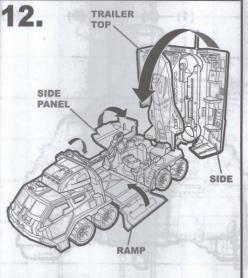

ASSEMBLY

- 1. Attach radar to trailer.
- 2. Attach cover and gun to turret. Attach antenna to cover.
- 3. Attach turret to connector on trailer, and insert turret into socket. Gun turret can be attached to any weapons port.

FEATURES

- 4a. Swing turret up and slide it almost all the way forward.
- 4b. Turn connector 180 degrees (it moves in increments and clicks as it moves). Swing turret down and into socket.
- 4c. Turret rotates 360 degrees.
- 5a. Pull hidden missile launcher up.
- 5b. Rotate launcher.
- 5c. Load missiles into launcher. Press buttons to fire.
- 6. Cab windshield folds down to access driver's compartment.
- 7. To open trailer, lower side panel. Lift top of trailer to upright position.
- 8. Ramps fold down to allow vehicles to be rolled onto the repair ramp. (Other vehicles not included.)
- 9. Robotic arm is movable and has a spring-back grabber.
- 10. Attach jet to platform. Jet can slide up and down for pretend launches.
- 11. Elevator slides up and down. Drop figure down the escape tube.
- 12. To close trailer, slide jet to lowest position. Fold robotic arm down. Fold up ramps, lower trailer top, fold in side and swing up side panel.
