### 10 BASIC BODY MOVEMENTS

Follow these 10 basic body movements to play and navigate through each game!

*Move your body to control the action!*

### LEVELS OF PLAY

Each game presents three levels of play, which increase in difficulty. At the beginning of each game, please select your desired level: easy, medium, or hard. The game will proceed through several rounds of play at that level. Pressing the Previous button will return you to the level selection screen.

### 5 ACTION-PACKED GAMES

Hit the Bat-Signal™! Arkham Asylum™ escapees Mr. Freeze™ and The Joker™ are terrorizing Gotham City™, and Batman™ needs your help! Chase the villains across the city, foil their evil plans, and outwit them in a super showdown!

GAME 1 – GOTHAM CITY™ ENERGY COMPANY™\*

GAME 2 – WAYNE MANOR™\*

GAME 3 – WAYNE TOWER™\*

GAME 4 – DISTRICT TUNNEL™\*

GAME 5 – GOTHAM CITY™ SEWERS\*

## GAME 1 – GOTHAM CITY™ ENERGY COMPANY™\*

### HOW TO PLAY

1. Different-colored ice crystals light up, one at a time: repeat the color pattern back by shattering the colored ice crystals in the correct order.
2. If you make a mistake, Mr. Freeze™ will ice over the screen and you'll need to chop away the ice!
3. Complete the target number of color patterns to advance to the next round.

### Levels of Play

As the levels increase, the pattern sequences get longer.

### Learning Benefits

- Cognitive Reasoning*
- Memory Building
  - Patterns

## GAME 2 – WAYNE MANOR™\*

### HOW TO PLAY

1. The Joker™ is releasing evil gas-filled balloons and you need to destroy them. Tilt your arms to fly Batman™ in a glider over Gotham City™. Use a compass to fly north, south, east or west.
2. To pop the balloons, steer the glider into their path!
3. Destroy the target number of balloons to advance to the next round.

### Levels of Play

At the easy level, compass directions (north, south, east, west) will flash, helping you guide the glider. As the levels increase, the directions will stop flashing and will only be called out. More balloons come your way faster, giving you less time to react.

### Learning Benefits

- Cognitive Reasoning*
- Visual Spatial Orientation
- Science & Discovery*
- Compass Navigation

## GAME 3 – WAYNE TOWER™

### HOW TO PLAY

1. The Joker™ is planting bombs in Wayne Tower! You must solve a word puzzle to defuse the bombs.
2. Listen to a rhyme, then tag the correct letter bombs to spell a missing word in the rhyme. If you tag the wrong letter, the bomb will explode and weaken the building.
3. You also need to dodge bombs The Joker™ is dropping!

### Levels of Play

As the levels increase, the word puzzle becomes harder to solve. The missing words become longer, and letters go from being shown, to flashing, to being called out.

### Learning Benefits

#### Literacy

- Letter Recognition
- Spelling

## GAME 4 – DISTRICT TUNNEL™

### HOW TO PLAY

1. Mr. Freeze™ is in the sewer tunnel beneath Gotham City™, releasing gas streams to poison the water supply. You need to collect the poison streams.
2. Only one stream is toxic at a time. A meter at the bottom of the screen will tell you what color to collect. Steer the Batmobile™ along the correct colored stream to collect the gas and save the water supply.
3. Watch out for roadblocks as you steer through the tunnel!

### Levels of Play

As the levels increase, there are more colors in each sequence.
