

Kitchen Capers™

Collect-the-Recipes Game

For 2 to 4 players/Ages 4 to 8

Rules © 1983 Parker Brothers, Beverly, MA 01915. Printed in U.S.A.

OBJECT You can make Strawberry Shortcake™ deliciously happy by collecting Recipe cards for her housewarming party. But watch out! The Purple Pieman™ will try to take your recipes from you. The player with the most Recipe cards at the end of the game is the winner.

EQUIPMENT 1 "rules" card • 25 Recipe cards (5 apple pies, 5 cherry sundaes, 5 strawberry shortcakes, 5 raspberry shakes, and 5 blueberry muffins) • 10 Purple Pieman cards.

SET UP

1. Mix the Recipe cards and the Purple Pieman cards together.
2. Then deal them—**face down**—into 3 piles in the center of the playing area until there are no cards left. (One pile may have more cards than another, but that's okay.)
3. The youngest player goes first. Play then proceeds, in turn, to the first player's left.

PLAYING

On your turn, draw the top card from any of the 3 piles. **Place it face up in front of you so all the players can see it.**

- If it's a **Recipe card**, you can keep it and choose to do one of two things:

- a. You can **protect this Recipe card** by placing it **face down** in front of you. The Purple Pieman can't take this card from you. Then end your turn.

OR

- b. You can continue your turn and draw another top card from any of the 3 piles. Place it **face up** in front of you.
 - If it's a **Purple Pieman card**, you lose any Recipe card(s) you have face up in front of you. Place the Purple Pieman card and the Recipe card(s) you lost in a pile away from the playing area. (This is the **discard pile**.) Then end your turn.
 - If it's a **Recipe card**, you can keep it. Then decide whether you'd like to protect the Recipe cards you've won or continue your turn.

END OF GAME The game ends when there are no more cards left in any of the 3 piles.

WINNING The player with the most Recipe cards at the end of the game is the winner! If two players tie for the most Recipe cards, you're both winners!
