

SWINGING MONKEYS with Tree Hangout

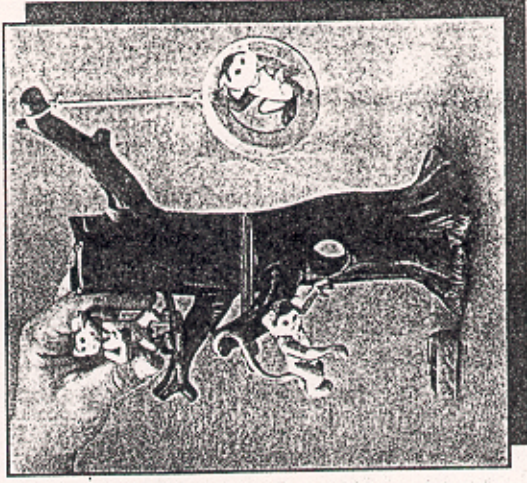

Congratulations! You're the proud new owner of three Swinging Monkeys from the LITTLEST PET SHOP!

The Swinging Monkeys love living and playing in this fun-filled treehouse! Just snap the branches into the holes, slip the platforms into the slots and the swinging tire onto the highest branch. Now the Swinging Monkeys can play all day. There's so much for them to do... from swinging on the branches to hiding in the tree trunk!

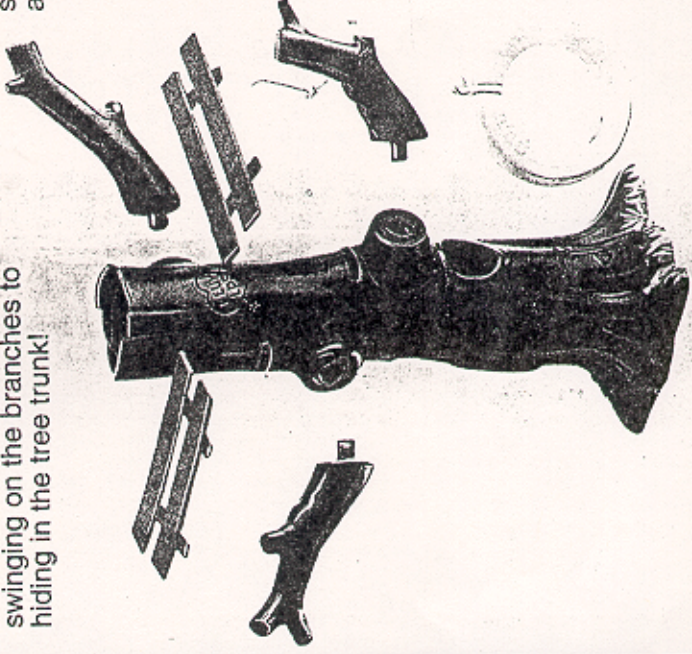

This hungry monkey can't take his eyes off those delicious bananas! Wave them in front of his nose and watch his head move!

Whenever you push down on this monkey's head, he scratches his tummy just like a real monkey!

Play all day with these Swinging Monkeys as they hang by their tails, swing in the tire or peek through the hole in their Tree Hangout! You'll have lots of fun naming them, feeding them and taking care of them in their fun-filled home.
