CHIRPY BIRDS with Nesting Home

Pretty birds perch in their favorite home. With you as a playmate they're never alone! Busy birds happily swing up and back, Mama "feeds" Baby, then stops for a snack!

Gently rock the handle of the Grand Cockatoo's favorite perch to make it swing back and forth! Take the roof off, pull out the perch and Grand Cockatoo, rock the handles, and watch him do beautiful spins around and around!

Help Mama Cockatoo tip her beak down to "feed" her hungry baby. Little Baby Cockatoo is so hungry, she raises up out of the nest to "take" her treat.

It's time for a Cockatoo to enjoy a special "snack"! Place birdy's feet on bird feeder and help it reach for a tasty bird treat!

Push the ball on the top of the birdhouse roof to hear pretty bird sounds.
