# SWIMMING DUCKLINGS with Pondsides Nest

What a lovely day for a swim! Join the little duckling family in their very own pond where Mommy and her sweet baby ducklings glide along as happy as can be! Come on in... the water's great!

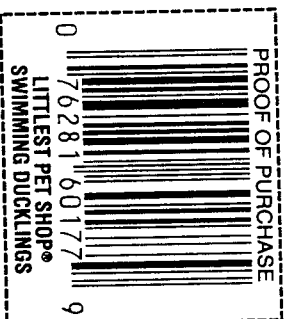

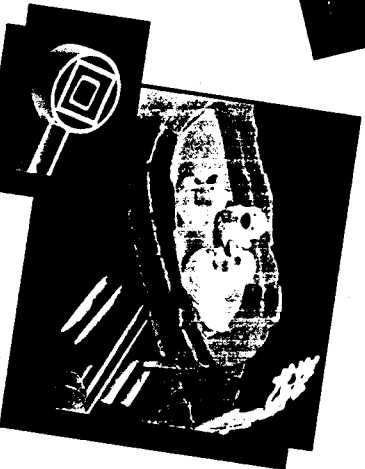

Everything's just ducky at this pretty pond! Baby ducklings love to snuggle up to Mommy underneath the beautiful rose trellis.

Assemble playset and apply label as shown.

It's time for a dip! Wave the wand under your little duck friends to make them glide 'round and 'round the pond. They'll all want to take a turn!
