

Congratulations! You're the proud new owner of a pet from the LITTLEST PET SHOP®! These precious pets each do something special and need lots of love and attention from you! They need you to name them, feed them and take care of their little homes, but most of all they need you to love and play with them every day! Collect all the LITTLEST PET SHOP® animals, so you can have a pet shop of your very own!

Make Desert Parakeet's home as pretty as a picture! Ask an adult to cut out playmat along dotted lines, fold it and fit in bird cage as shown.

Zoo Desert Parakeet loves to sit on the Cactus Home and flap his wings! He'll move his wings up and down for you as you push down on his little head!

DESERT PARAKEET

ANIMAL FACTS

BREED: Orange-fronted Desert Parakeet  
 WEIGHT: 2-3 ounces  
 SIZE: 8-10 inches long  
 HOME: Desert areas of Mexico and Costa Rica

DID YOU KNOW?: In especially dry areas where trees are scarce, parrots and parakeets may build their nests in holes in cactus plants.

SPECIAL TALENT: The parrot family is the only type of bird that can bring food up to its mouth with its foot, holding the food tightly wrapped in its toes.
