LITTLEST Pet Shop

The LITTLEST PET SHOP® Zoo Shy Shetlands love each other -- just as much as they love you! These little ponies come with their own special home, play food, and everything you need to take care of them!

Snap fence pieces together as shown to form ponies' corral home.

Baby Shetland's head tilts up and down, nuzzling her loving mommy when you rub their noses together!

You can groom mommy Shetland's pretty mane and tail, and baby's silky tail, with their very own brush and comb!

Baby Shetland loves her baby bottle!
