

How To Play

Tic-Tac-Toe

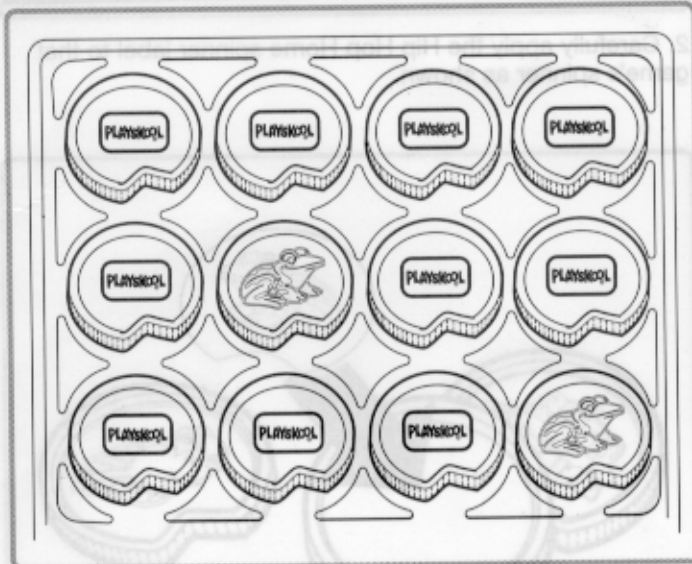

1. Two players: one player takes "X" frogs and the other takes "O" frogs.
2. Take turns placing your Xs or Os on the lily pad squares.
3. The first player to get three Xs or Os in a row - across, down or diagonally - wins!

Hip Hop Home™

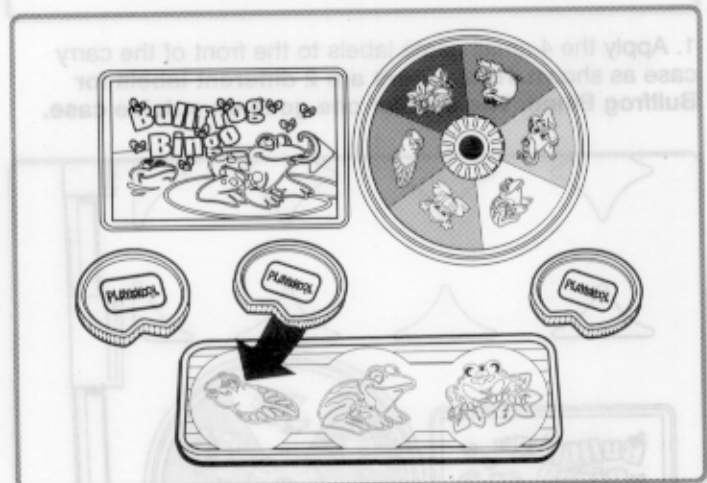

1. Two players: start your frogs at the "START" pad on game board.
2. Take turns spinning the wheel to see what color will stop at the pointer. Move your frog to the closest lily pad of that color.
3. The first frog to reach the finish line wins!

Frog 'n Seek™

1. Two players: place chips, frogside down, on all spaces of the game board.
2. Take turns flipping over two chips at a time to see if they match. When a pair matches, it's yours; pick it up, and take another turn. If they don't match, turn them back over, and let the next player take a turn.
3. When all chips have been taken, the player with the most chips wins the game!

Bullfrog Bingo™

1. Two to four players: select a bingo card. Spin the wheel to see which frog the pointer lands on.
2. If you have that frog on your card, cover it with a chip. The first player to cover all frogs on his or her card wins!!
