Includes removable ear, cochlea, inner ear, eyeball, Arnold, The Magic School Bus and Body Safari guide.

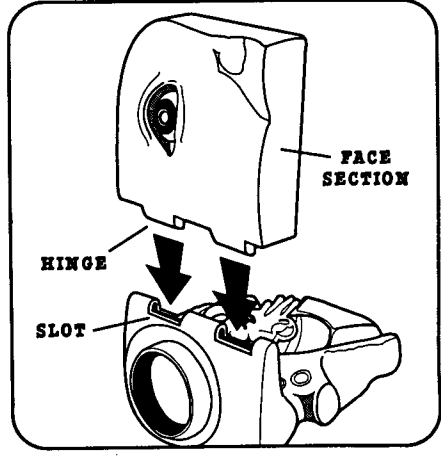

ASSEMBLY

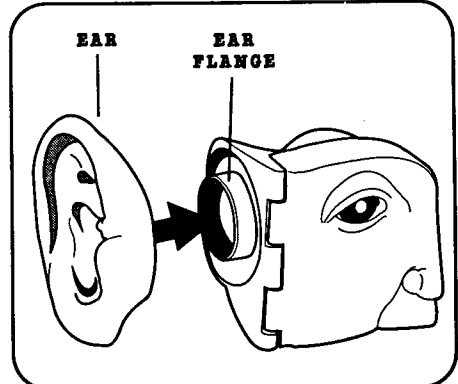

Fit cochlea and eardrum over posts on inner ear as shown.

Snap tabs on eyeball into grooves in eyeball socket on face section. Be sure U-shaped area on eyeball is at the bottom of the eye as shown.

Snap hinges on face section into slots on side of inner ear.

Fit ear over inner ear flange as shown.

PLAY FEATURES

- When you place ice or cold water on the ear, it turns red! To return the ear to its original color, simply use your hands to warm it up.
 - The cochlea can be coiled and uncoiled, and is removable. Just for fun, wind it around Arnold!
 - The Magic School Bus zooms in and around the ear.
 - Take Arnold for a walk up the stairs, then slide him into the U-shaped area on eyeball so that he can look through the rotating eye!
 - Arnold can explore the inner ear when you stand him in either of the two recessed circles.
 - You can remove the ear from the playset and place it over your own ear!
- CAUTION: DO NOT** place any of the other parts of this playset in or on your ears.
- For a ringing sound in the ear, shake Ear Works or turn the spinning eardrum!
