

# Makeup Beauty™

## Instructions

Includes: Makeup Beauty Doll, skirt/tray, 4 makeup containers, 8 Makeup Crayons and comb.

- Take 1 Makeup Crayon of each color and fit them securely into the makeup containers with the pointed tips facing up. The Crayons fit into the bottom pieces as shown except for the container with the large, rounded bottom, where the Crayon goes into the top piece.  
**Note: The 4 extra Makeup Crayons should be stored in a cool, dry place until needed.**
- Arrange the containers in the wells of the skirt/tray as shown.  
There are 7 wells on the skirt/tray: 4 hold the makeup containers, 1 holds the comb, and the remaining 2 wells (1 on each end of tray, **without drain holes**) hold water. (When coloring Makeup Beauty, you may dip the tip of the Makeup Crayons in water to get a different look than with dry Crayons. For best results on hair, **always** dip the tip of the Makeup Crayon in water.)
- Now you're ready to play! Use the Makeup Crayons to decorate Makeup Beauty in as many ways as you can think of. The crayons may be used to color her hair, to make up her face, to paint her nails and to decorate her bathing suit and body.
- When you're done with one look and want to start another, simply wash off the color with water.
