

Mix and match the wacky parts and pieces...

"Is this my nose? Who knows?!"

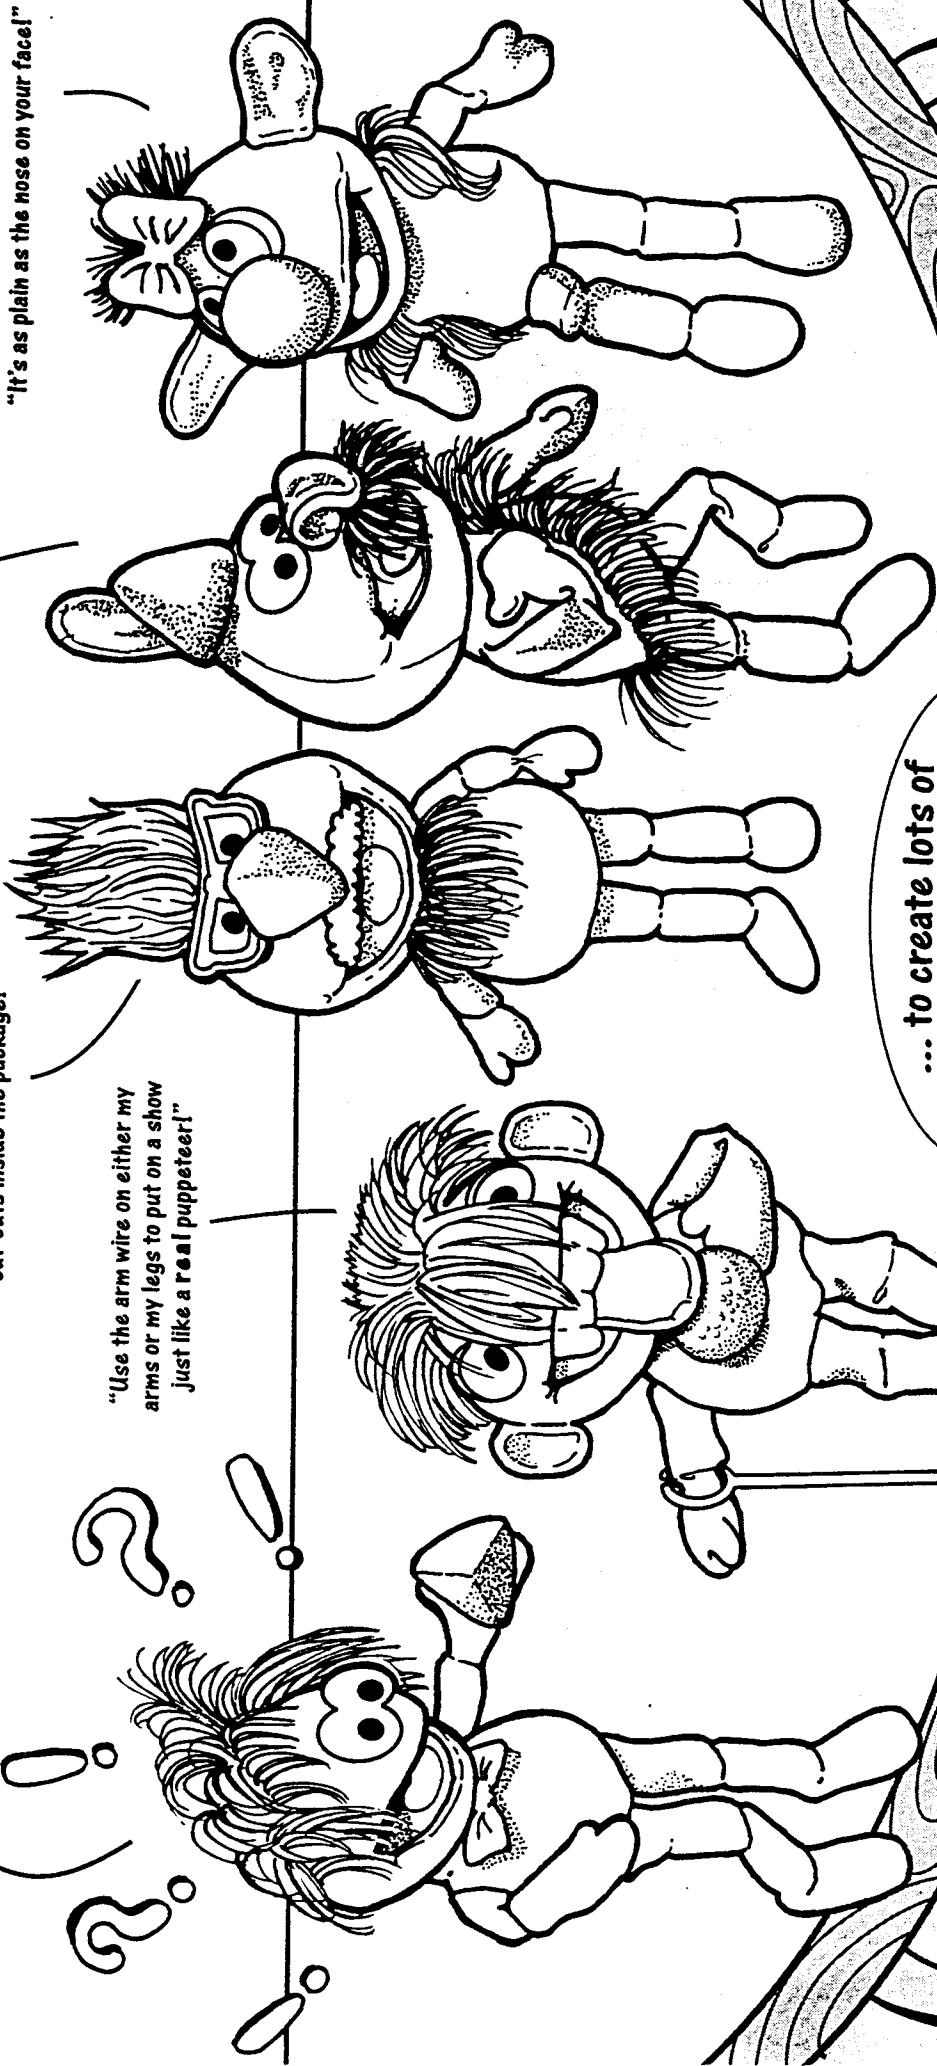

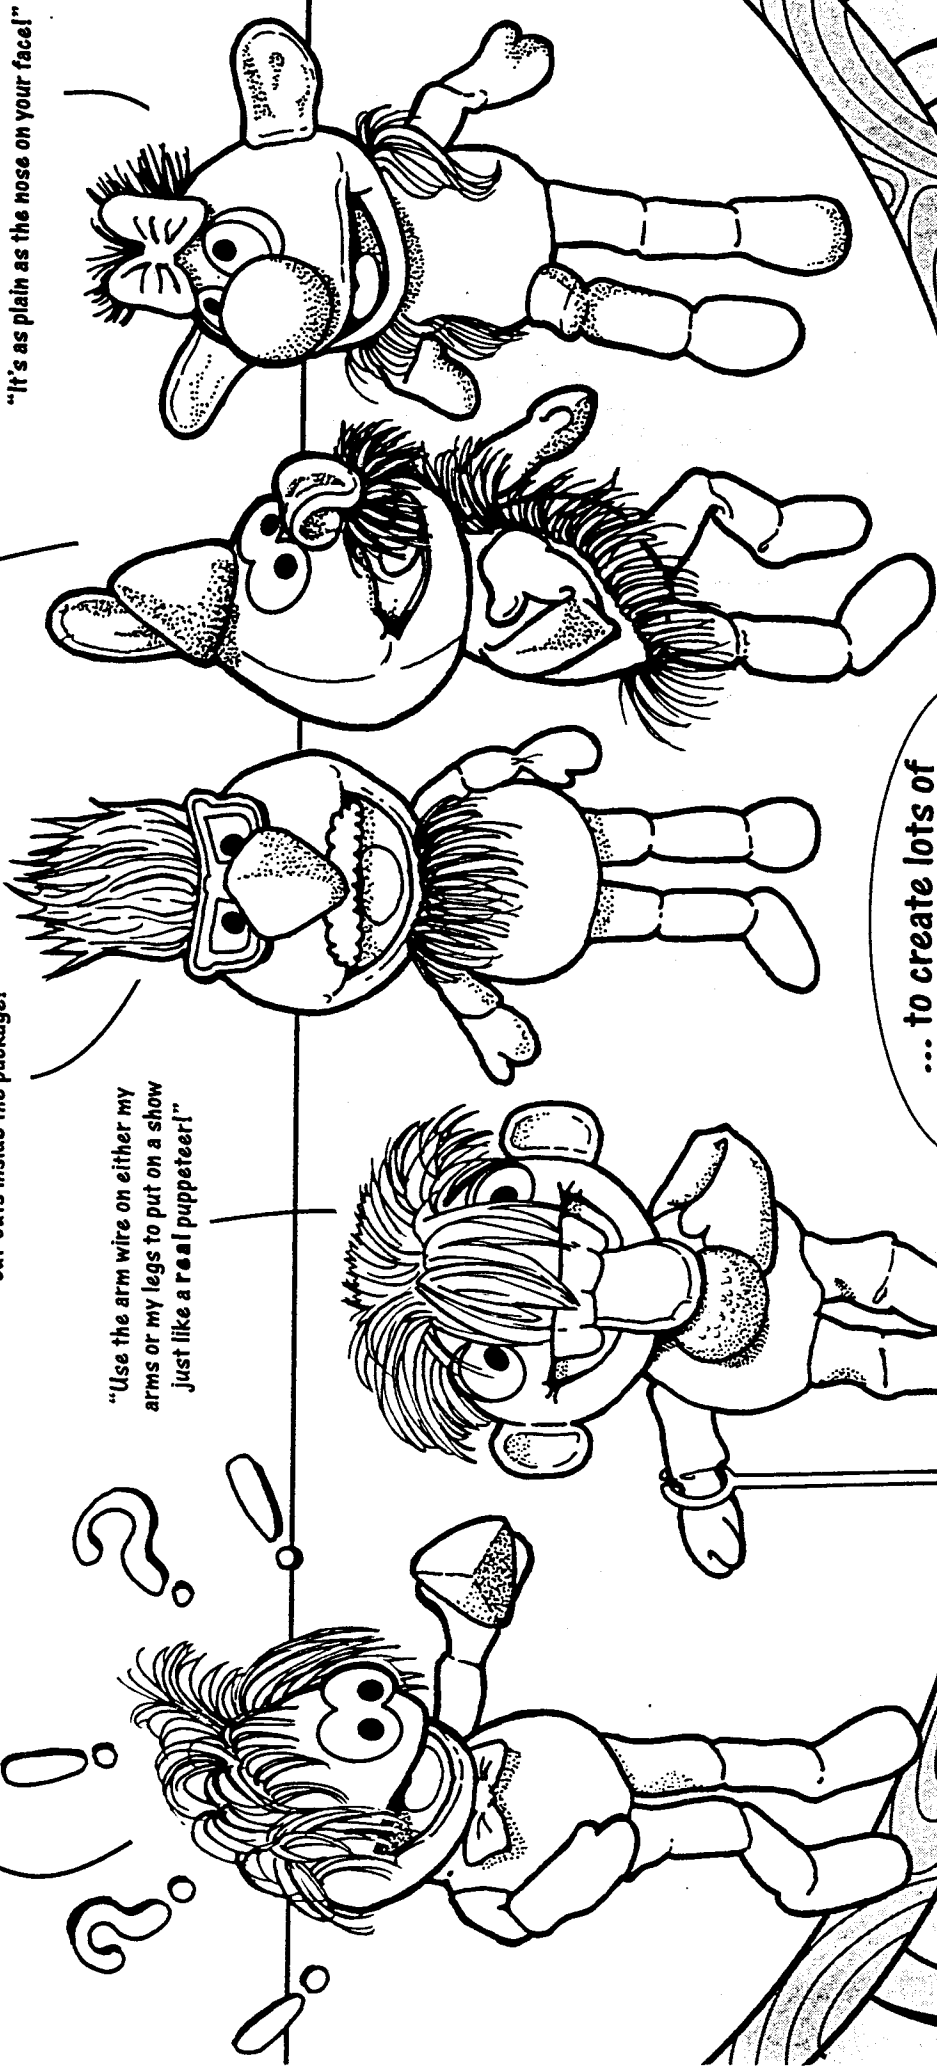

"Create more crazy looks with the cut-outs inside the package!"

"Pardon me! Have you seen my ear?"

"Use the arm wire on either my arms or my legs to put on a show just like a real puppeteer!"

... to create lots of different looks for your Muppet puppet!

Jim Henson's MUPPET WORKSHOP™

The Art and Craft of Having Fun!™

TA-DAAAA!

Hey Kids! Here are some ideas
to get you started making your
own Muppet Puppets!

Thank you for purchasing this Playskool product! Your Muppet® Puppet 'n Parts™ comes with 1 Whatnot™ Puppet, 4 floppy whamacallits, 2 pairs of eyes, 2 noses, 3 furry things, 1 bow and 1 arm wire for real puppeteering!

... AND DON'T FORGET!

- Your hand slips right inside the back of your puppet's head so you can move its mouth to talk!
- All of your parts and pieces store right inside your puppet: the 2 noses fit inside the head, and all the other pieces store inside the opening in the back.
- Two great puppet sets are available: The Monster Puppet Set and the Whatnot™ Puppet Set. And for more wacky fun, look for the Crazy Creations™ Kit!

To wash: Place puppet in pillowcase and tie end closed. Wash in cold water on gentle cycle with mild detergent and no bleach. Tumble dry in pillow case, low heat setting. Puppet accessories are surface washable only.

Note: Parental assistance is required when cutting out enclosed cardboard play pieces.
