

Jim Henson's MUPPET WORKSHOP

The Art and Craft of Having Fun!

Hey Kids! Here are some ideas to get you started making your own creations!

"Two heads are better than one."

Just attach the pieces (eyes, noses, floppy things, furry things and more!) anywhere to the round starter shapes...

"Cock-a-doodle do you know what I am?"

... and create like crazy!

AND DON'T FORGET!

Two great puppet sets are also available: The Monster Puppet Set and the Whatnot™ Puppet Set.

To wash the 2 large starter shapes: Place in pillowcase and tie end closed. Wash in cold water on gentle cycle with mild detergent and no bleach. Tumble dry in pillow case, low heat setting. The accessory pieces are **surface washable only**.
