

Newborn Diaper SurpriseTM

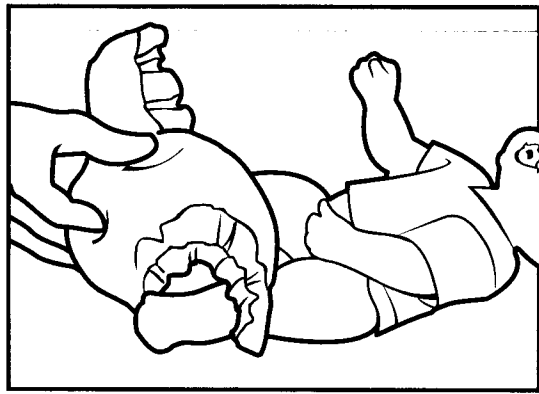

DOLL
with Diaper Surprise CenterTM

LABEL APPLICATION

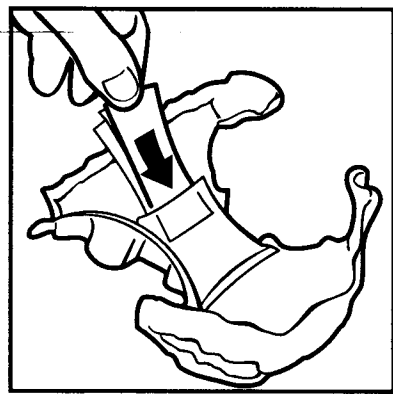

Apply the labels to the toy. These labels can be positioned randomly.

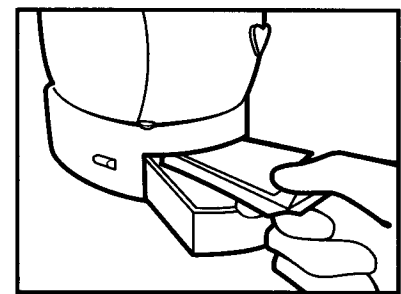

PREPARATION

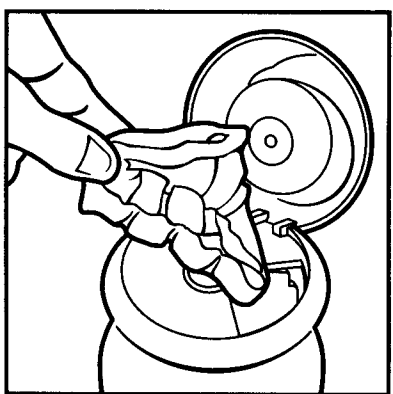

1. Remove the diaper from your doll.

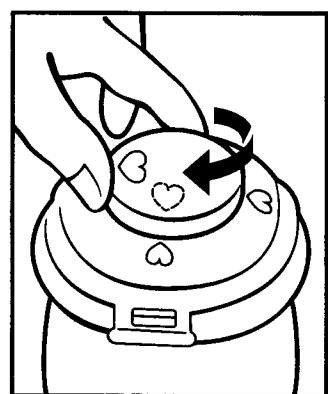

2. Take a folded paper insert and place it under the fabric insert in the diaper.

3. Open the storage drawer and place the extra paper inserts there.

4. Raise the lid and place a "clean" folded diaper into the center.

5. Close the lid and turn it in the direction of the arrow until the heart lines up with another heart. Open the top again and place another "clean" folded diaper into it. Now turn the lid again to the next heart. The center is ready for play.

FEEDING

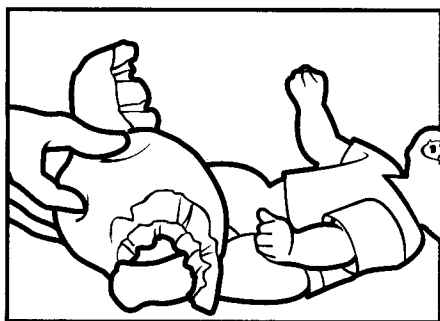

6. Fill a glass with ice and cold water. Hold the nipple of the bottle under the water. Squeeze and release the bottle once.

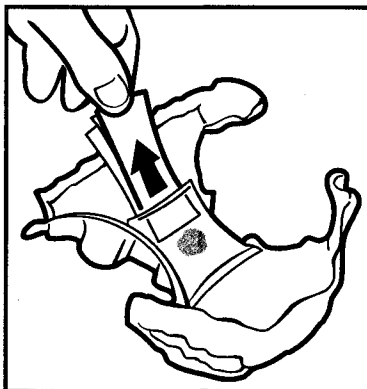

7. Take the "filled" bottle out of the water and "feed" your doll by squeezing the bottle into her mouth.

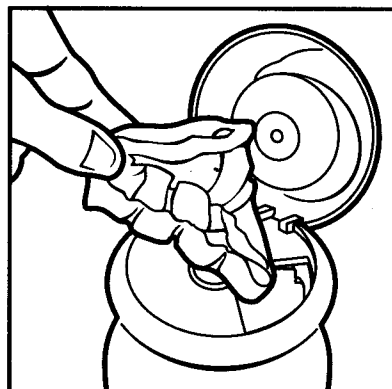

CHANGING "DIRTY" DIAPER

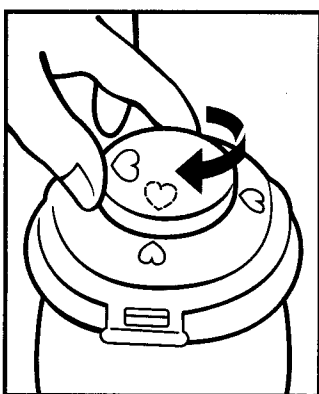

8. Remove the "dirty" diaper.

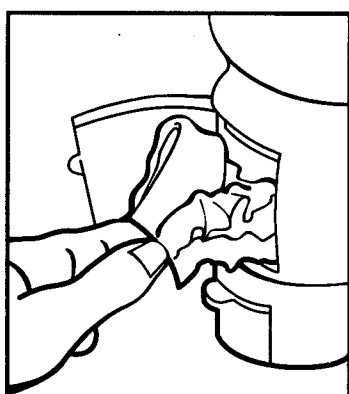

9. Take out the folded paper insert from the diaper and discard it. Blot excess water off the diaper.

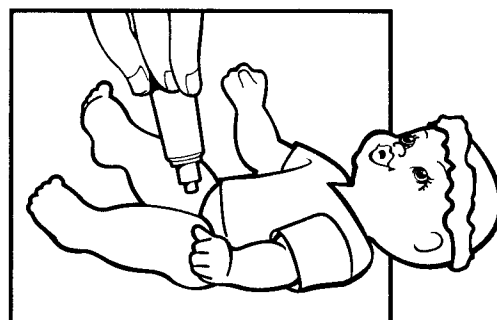

10. Fold the "dirty" diaper and place it in the center.

11. Turn the lid in the direction of the arrow and to the next heart.

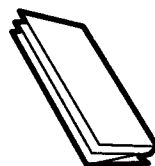

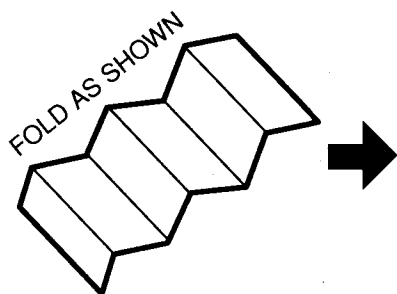

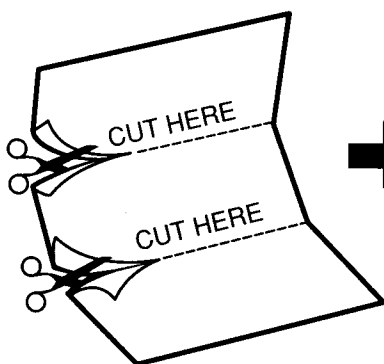

12. Open the back door of the center and get a "clean" diaper for your doll. Close the door.

13. Dry your doll and pretend to apply lotion before you re-diaper her.

MAKING MORE PAPER DIAPER INSERTS

14. An adult should follow these drawings to make more paper inserts from a paper towel.
