The Ouija® Board

The Ouija® Board (pronounced WEE-JA) has always been mysterious and mystifying. Ask it a question and it will respond by spelling out your answer in the window of the Message Indicator (Planchette).

*Look Into The Future. Have Fun!
And Remember
The Ouija® Board is just a game...
or is it?*

Assembly

Remove the 3 glide feet from the runner. Discard the runner. Attach the feet to the underside of the Planchette by pressing them firmly into the openings of the posts.

(SEE FIGURE A)

How Do I Make It Work?

At night, leave the Board and the Planchette side by side under a lamp with the light on for approximately 10 minutes. During the day, leave them in a sunny window. The glow will last for approximately 30 minutes.

Set-Up

- If desired, set the mood by dimming the lights or turning them off.
- Before using the Ouija® Board, wipe it with a dry cloth to remove dust and moisture.
- Sit opposite another player or gather around the board if more than two are playing.

Set-Up (cont.)

- Set the Ouija® Board either on the players' laps or on a small table between and within reach of the players.
- Additional players are encouraged to look on and take note of the Ouija® Board's responses.
- Set the Planchette in the center of the Ouija® board.
- Place two fingers *lightly* on the Planchette.
- Now, concentrate.

What Do I Do Now?

Players take turns asking questions and all should agree to the question being asked. Ask only one question at a time. Ask your questions slowly and clearly. And wait to see what the Planchette spells out for you.

If nothing happens, try asking another question. Allow one to five minutes for an answer to come.
