Peekables Puppy™

Big fun for little eyes!

Thank you for buying this
PLAYSKOOL product!

Includes 2 "AA" batteries. Phillips screwdriver
(not included) required for battery
replacement.

ADULT PLEASE NOTE: This product is shipped in "Demo" mode. Move switch to "Normal" position before using at home.

PLAYTIME

The Peekables Puppy™ toy is a lovable light-up friend for baby! Press his heart or give him a gentle push to start the fun!

I giggle, talk and bark!

Press my heart...I say "I love you" and my heart lights up!

See the mirror on my tummy!

Give me a gentle push... I play music and my eyes wobble!

I spin and rock back and forth!

Ears make a fun crinkle sound!

TO REPLACE BATTERIES

Use a Phillips screwdriver to loosen screw in battery compartment door (screw remains attached to door). Remove door. Remove and discard old batteries. Insert 2 fresh "AA" alkaline batteries. Replace door and tighten screw.

⚠ CAUTION: TO AVOID BATTERY LEAKAGE

- 1) Be sure to insert the batteries correctly and always follow the toy and battery manufacturers' instructions;
- 2) Do not mix old and new batteries or alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries;
- 3) Always remove weak or dead batteries from the product.

At Playskool, we want to do all we can to help ensure that children thrive developmentally. That's why we have partnered with the National Campaign for Hearing Health to provide you with this Hearing Checklist for babies.

Talk to your doctor if you answer NO to any of these questions:

- | YES | NO | Birth to 3 Months |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | Reacts to loud sounds |
| <input type="checkbox"/> | <input type="checkbox"/> | Is soothed by your voice |
| <input type="checkbox"/> | <input type="checkbox"/> | Turns head to you when you speak |
| <input type="checkbox"/> | <input type="checkbox"/> | Seems to know your voice and quiets down if crying |

- | YES | NO | 3 to 6 Months |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | Looks upward or turns toward a new sound |
| <input type="checkbox"/> | <input type="checkbox"/> | Responds to "no" and changes in tone of voice |
| <input type="checkbox"/> | <input type="checkbox"/> | Enjoys rattles and other toys that make sounds |
| <input type="checkbox"/> | <input type="checkbox"/> | Becomes scared by a loud voice |

The National Campaign for Hearing Health is sponsored by the Deafness Research Foundation. It is a public outreach, professional education and government relations initiative whose goal is to educate the public about hearing health.

Call the National Campaign for Hearing Health at 1.800.535.3323 or visit www.hearinghealth.net for more information.

Based on NIDCD/NIH infant hearing checklist.
